

Tracked All-Terrain Vehicle Declaration

Use this form to initially certify and register a wheeled all-terrain vehicle (WATV) converted to a tracked all-terrain vehicle (tracked ATV) for use as a snowmobile.

Completing this declaration allows the registered owner to maintain licenses at the same time for both WATV and tracked ATV use. When converted back and used as a WATV, the vehicle must conform to all federal and state safety standards.

Take this form and all applicable fees to any vehicle licensing office. For additional information, visit dol.wa.gov.
