To keep your standard or special plate number*

Check if you want replacement plates with the same number as your current plates. Be sure to include the additional fee with this application. If the additional fee is not paid, the replacement plates will be the next available number/letter, letter/number combination, or Special Plate background design.

Replacement **HAM** and **MARS** plates will be issued with the original number, indicating your FCC license number.

Armed forces collection plates: Check the box next to the decal you had on your existing plates:

- Veteran Retired Active duty Reserves Disabled veteran
- Army guard Air guard Army, retired Air, retired Fallen hero

Personalized plate*

Your replacement plates will be the same number/letter, letter/number or Special Plate background design format as your current plates. Fill in the information below to insure the exact format of your personalized plates. Please print exactly the way the plate should look, including hyphens and spaces, if used.
