Mentorship Matters: State Required Tactical training is only part of becoming a successful Bail Recovery professional. The Industry requires much more. Learn to become a Professional Bail Recovery Agent from actual experienced professional Bail Recovery Agents.

Learn from America's most experienced trainer of successful professional Bail Enforcement Agents. Approaching our eleventh year, the Bail Enforcement Academy was established in 1997 to fill the Bail Bond industries need for highly capable, effective Bail Enforcement Agents. We are unmatched in experience, reputation or insight in the process of training successful agents with exceptional resources and capabilities.

A decade plus of experience presenting a unique trademarked curriculum consisting of realistic, critical knowledge, presented by actual licensed Private Investigators and Bail Enforcement professionals with over a decade of actual on the street experience as Bail Recovery Agents.

The Bail Enforcement Academy has been utilized since 1997 by Bail Enforcement and Bail Bond Agents from all over the USA. Government approved; Washington State approved and certified by the Colorado Police Officers Standards and Training (P.O.S.T.) our program in fact exceeds those States requirements.

We are the oldest, most comprehensive training program available coupled with Instructors possessing ten years plus of training insight and verifiable Bail Enforcement Training experience training Bail Recovery and Bail Bond Agencies nationwide and possessing the knowledge and insight necessary to mentor future professionals. Far more than tactical training and building searches, this is a complete program, **including lifetime mentorship and network opportunity.**

In addition to lifetime mentorship and affiliation with actual Bail Recovery and Bail Bond Agents our Field Operations course meets and exceeds the Washington State Bail Recovery Agents new 2009 RCW 18.185.260 Section 1 required 32 hour Field Operations training is certified by the Colorado State Police Officers Standards and Training Commission (P.O.S.T.) and is a Colorado Department of Insurance registered provider of Colorado Bail Bonds Agents & Bail Recovery Agents required training.
