CAMPUS SAFETY AND INFORMATION

“Service Without Compromise”

Campus Safety is dedicated to providing the PLU community a safe and secure campus environment. Campus Safety works in partnership with the Central Pierce Fire and Rescue and the Pierce County Sheriff's Department on issues and incidents related to the campus community.

Campus Safety is comprised of both professional staff and student staff. Officers are trained in CPR and First Aid. They also receive training in diversity, crisis intervention, interpersonal communication and a host of other forums. The training program is on-going and a vital part of learning and professional development.

Campus Safety student staff are divided into four positions; Safety Officers, Video Officers, Communications Officers and Escort Officers.

Campus Safety provides several services to the PLU community:

- Escorts: walking escorts around the campus community are provided 24 hours a day
- Shuttle: Rides are available to and from campus within a designated boundary
- Emergency Medical Response
- Policy Enforcement
- Vehicle Jump Starts
- Parking Education and Enforcement
- Campus safety patrols

Most parking lots around campus are equipped with emergency phones, easily located by the blue light visible on the top of the phone pole.

Video Surveillance is used in most parking lots 24 hours per day.
