Purpose:

The department will amend Chapter 308-20 WAC to ensure we are meeting current safety and sanitation requirements regarding public safety. Also, the department will restructure the cosmetology salon shop license fee when cosmetology and permanent cosmetic services are offered at the same location to reduce the burden to small business. The department has received numerous requests from stakeholders to have the existing safety and sanitation procedures updated and amended for clarity, intent, and statutory authority. The proposed rule amendments are supported by industry.

SHB 1063 was passed during the 2015 legislative session giving the department authority to make changes to Chapter 308-20 WAC. The department will amend Chapter 308-20 WAC to:

- implement the new hair design license;
- allow an instructor-trainee to submit documentation that provides evidence of experience as a licensed cosmetologist, hair designer, barber, manicurist, esthetician, or master esthetician for competency evaluation toward credit of not more than three hundred hours of instructor training and;
- define online learning.
