April 1, 2014

Dear School Owners, Apprentice Salons, and Interested Parties:

Good afternoon,

Today we held a conference call at 4:00 p.m. for schools, apprentice shops, and other interested parties to provide an update on cosmetology, manicuring, barber, esthetics and instructor testing. As of April 2, 2014, the Ergometrics testing sites will be functioning for all services. Ergometrics will contact any candidate who was cancelled due to the recent testing closure for rescheduling. The Ergometrics website is also up and running and all services are available.

I appreciate your support and understanding as we work to provide fair and consistent examinations to our exam candidates.

Sincerely,

*Susan Colard*
