

Your bike is legal. **Are you?**

Law enforcement can impound your
bike if you are riding unendorsed!

To find the nearest training and testing site, go to:
dol.wa.gov/driverslicense/motoschools.html

There are two ways to get endorsed:

1. Take and pass a motorcycle safety training course.
2. Complete the knowledge and riding skills test.

*Safety enforcement patrols will
be on-going this summer to make
roads safer for riders and drivers.*
