Successful applicants must apply for a license. Examination results are valid until July 1, 2010. Any person who has passed the examination for real estate broker or real estate salesperson licensures must become licensed by June 30, 2010. Failure to comply with this provision will necessitate fulfilling the requirements of RCW 18.85 101 or 18.85 111 and taking and passing of a new examination prior to licensure. This section is effective until July 1, 2010. This section creates a cutoff point for existing licensees or applicants to either obtain a license or fulfill the new requirements if they chose to wait until July 1, 2010.

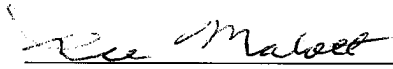

**Motion:** To proceed with Code Reviser filing for WAC 308-124-A-030

Motion seconded and carried.

Paul Chiles adjourned the meeting.
