Note to the users of this desk manual.

This purpose of this desk manual is to assist security business employers and their employees in understanding the Washington State security guard licensing requirements.

The information in this desk manual provides a step-by-step process to assist you in hiring eligible security guard applicants and for submitting accurate applications. By using these processes you will learn how to obtain licenses efficiently and maintain compliance with the licensing regulations.

This licensing instruction manual should be used in conjunction with the security guard laws and rules (RCW 18.170, WAC 308-18, and RCW 18.235).
Security Guard Licensing Requirements

Who needs a security guard license in Washington State?
A person or an entity engaged in the business of providing the services of security guards must be licensed as a security guard company. And, individuals employed by a licensed security guard company to provide security.

Applicants must meet the following requirements to qualify for a security guard license.

1. To qualify, applicants for an unarmed security guard license must be at least 18 years of age and at least 21 years old for an armed security guard license.

2. Applicants must be U.S. residents, or a resident alien.

3. Applicants cannot have a disqualifying criminal conviction. See page 32 for more information about criminal history records.

In our efforts to assist you, the Department of Licensing has made licensing records available to the public on the Internet. The information on this web site can help you save time and money.

Why you should search the Internet to prescreen security guard applicants.

• Do you want to hire someone with dual licensure?
• Do you want to know if the person you are about to hire has already been denied their security guard license because of a criminal conviction?
• Do you want to make sure you are sending in the correct fee?
Searching the Internet for Licensing Information

The link on the Department of Licensing website to search for records is titled Check Status of a Business or Professional License. This tool will show you the current status of a security guard application or license. You may access the web site at:

http://www.dol.wa.gov/business/checkstatus.html

To find a license status, choose “Security Guards” from the “Profession” drop down box. Next, enter a portion of the applicant’s first and last name. You do not need to enter information in all the fields. The less information you enter, the easier it will be to complete your search. The status types and definitions are as follows:

Preassignment Training

Preassignment Testing Requirements

All security guard applicants must complete eight hours of preassignment training before they can work as a security guard.

All security guards, except any person who was employed as a full time peace officer within the last five years, must complete at least eight hours of preassignment training. Four hours of the preassignment training classroom and/or on-the-job training shall be in subjects determined by the security guard company principal. Training should fit the specific type of duty required by the post. The additional four hours of the preassignment training classroom instruction shall be in the following listed subjects. For more information read RCW 18.170.105 and WAC 308-18-300.

Preassignment Training Topic

(a) Basic principles.

(i) Basic role of the security guard;

(ii) Washington state licensing laws;

(iii) Observation;

(iv) Proper actions, reactions;

(v) Homeland security - terrorism and surveillance.

(b) Legal powers and limitations.

(i) Citizens arrest;

(ii) Authority to detain, question, or search a private citizen;

(iii) Authority to search or seize private property;

(iv) Use of force;

(v) Avoiding liability.
(c) **Emergency response.**

(i) How to define what is or is not an emergency situation;

(ii) Response to fires;

(iii) Response to medical emergencies;

(iv) Response to criminal acts;

(v) Bomb threats.

(d) **Safety and accident prevention.**

(i) Hazardous materials including Material Safety Data Sheet (MSDS);

(ii) Accident reporting.

(e) **Report writing.**

(i) Elements and characteristics of a report.

**Preassignment testing is required for new security guards.**

After receiving the preassignment training and prior to working as a guard, all security guard applicants must successfully complete the state examination. This examination was designed to demonstrate understanding and retention of the information studied in the training course. The Department of Licensing provides the examination document. The exam must have oversight by a licensed security guard certified trainer. The examination consists of multiple-choice questions based on the training topics starting on page 5.

The certified trainer must review all incorrect answers with the applicant to ensure they have a full understanding of the correct answers. Both the applicant and the certified trainer must initial all incorrect answers after the review, verifying knowledge of the correct information.

The signature, license number, and license expiration date of the certified trainer that administered the written examination is required on each state security guard application form. This signature is only valid if the license of the certified trainer is current and in good standing with the state. For more detail on the responsibilities of the certified trainer, see page 20.
Temporary Registration Cards

Temporary registration cards permit applicants to work as unarmed security guards while their application for a permanent license is being processed.

- A licensed security company may issue a new employee a temporary registration card provided by the Department of Licensing only after the employee has completed preassignment training and testing and has submitted to the security guard company a completed state application for a security guard license and fingerprint card.

- The application, fingerprint card and fee must be mailed to the Department of Licensing within three (3) business days after issuance of the temporary registration card. The temporary registration card is valid for a maximum period of 60 days and does not authorize a person to carry firearms during the performance of his or her duties as a security guard.

- The certified trainer that provides the preassignment training certification for the security guard applicant must sign the temporary registration card at the time of issuance. The temporary registration card permits the applicant to perform the duties of a security guard for the issuing company only.

- Temporary registration cards can be placed in the employee’s file after they receive their permanent license.

- Call the program if you have not received your permanent license within 60 days.

- If the applicant receives a letter from the Department of Licensing that their permanent license is being withheld the applicant must surrender his or her temporary registration card to the security guard company. The temporary license should be filed in the employee’s file.

Temporary registration cards, record keeping, and audits

The security guard company must keep a log of each temporary registration card issued. The log must include the date the card was issued, the name of the guard and the date the application was sent to the Department of Licensing. The temporary registration card log is required to be retained and available for inspection for a minimum of three years.
A good temporary registration card log would look like the example in the table below. Remember, the data and logs are required by RCW 18.170.

<table>
<thead>
<tr>
<th>Temp card #</th>
<th>Last Name</th>
<th>First Name</th>
<th>Middle Initial</th>
<th>Date of Birth</th>
<th>Date Temp Card Issued</th>
<th>Expiration Date</th>
<th>Date Application Sent to DOL</th>
</tr>
</thead>
</table>

Whether you print or type your log, use correct spelling and make the information legible. Logging the temporary registration cards in numerical order is very helpful in the reconciliation process.

**Follow the rules for using the temporary registration cards.**

The Department of Licensing may suspend the authority to use temporary registration cards for a period of one year for any security guard company that fails to comply with the requirements concerning temporary registration cards. After the suspension period, the Department of Licensing may reinstate the company’s use of temporary registration cards after receipt of a written request from the company.

**Ordering temporary registration cards**

To order temporary registration cards submit your request to the Department of Licensing using the Security Guard Supply Order Form and fax it to (360) 570-7888. The order form can be downloaded from our website at www.dol.wa.gov/forms/690019.pdf.

You must submit a copy of the temporary registration card log from your previous order of cards along with the order form for the Department of Licensing’s review. All temporary registration cards from the preceding order must be accounted for.

The Department of Licensing must receive all applications for those applicants before additional temporary registration cards will be processed.
Security Guard Application Process

- Print clearly. If we can’t read it, we can’t process it.

- Write the last and first names in the appropriate boxes. This is very important, especially if the person has a name where it is hard to tell which the first or last name is.

- Date of birth must be on the application. Please make sure to write the date of birth, not the date of the application.

- Social Security Number is required by RCW 26.23.150.

- Certified trainer signature – required on application.

- Temporary card number and issue date.

- Personal Data – Answer all questions truthfully in the personal data section of the application form. Although not all convictions will prevent qualifying for a license some convictions may cause a delay or denial in licensing. If you answer yes to any question, attach a separate sheet with an explanation and enclose copies of court documents.

- Applicant must sign the application.

- Application process will be delayed if the program has to send a letter requesting for additional information.

You can help decrease delays in the processing of your licenses. Incorrect fees delay issuing licenses and increase workloads. Issuing refunds for overpayments or sending a bill for short-paid fees cost applicants, employers, and the state time and money.
Fingerprint Requirements
Rejected Fingerprints

All security guards must complete a Washington State Patrol (WSP) and Federal Bureau of Investigation (FBI) background check before they can be licensed. Whether applying for an unarmed or armed license at the same time, only one fingerprint card should be submitted.

On page 11 is a copy of what type of fingerprint card is acceptable. Other types of fingerprint card forms will be rejected. The cards are available for free from our office.

Reasons for rejected fingerprints:

1. Fingerprint is smudged or smeared, possibly due to slippage during roll or fingers not clean and dry.

2. Insufficient ink/pressure. Image too light.

4. Finger not fully inked or rolled. Insufficient pattern area(s) recorded for identification purposes.

5. Sequence Error: Fingerprint(s) not in correct sequences as spaces indicated, same finger or hand printed twice, or hands have been reversed.

6. Fingerprint is missing with no notation of injury or amputation. Note “UP” (for unable to print) or “XX” (for amputation) in finger block.

7. Each rolled fingerprint must have corresponding plain or slap fingerprint. If slap fingerprints can be obtained, but due to injury or other reason a rolled fingerprint is not possible, note “UP” (unable to print) in the rolled finger block.

8. Unable to determine sequence of rolled fingerprints due to quality of the slap fingerprints.

9. Fingerprint not black on standard white fingerprint card stock.
10. Finger not rolled in the center of the finger block.

11. Fingerprint(s) overlapping or extend into other finger block(s).

12. Fingerprint is obscured by typing or writing.

13. Electronically produced fingerprints are distorted or shadowed and interfere with AFIS search.

Washington State Patrol will charge additional fees after three rejected fingerprint cards.

This is what an acceptable fingerprint card looks like.
Rejected fingerprint cards slow down the licensing processes.

If you receive a notice from the Department of Licensing stating the Washington State Patrol (WSP) or the Federal Bureau of Investigations (FBI) has rejected your fingerprint card, you must resubmit a new fingerprint card for the applicant as soon as possible.

Failure to reply within the requested time frame may result in an administrative termination of the application by the Department of Licensing. All notices are faxed or mailed to the employee and the companies in which the applicants are employed.

**Chain of Custody Practices for Submitting Fingerprints**

The FBI and WSP are encouraging that security guard companies implement the practice of Proper Chain of Custody when taking and mailing fingerprints of security guard applicants.

**Chain of Custody**

- The person who takes the fingerprints must request some type of photo identification card as verifying an individual’s identity. We recommend that only current, valid, and unexpired picture identification documents be accepted. As a primary form of picture identification, a state-issued driver’s license or a state identification card are acceptable. In the absence of a driver’s license, one or more secondary documents used to verify United States Citizenship or Legal Presence may be accepted.

The following must be filled out in order for a card to be processed:

- **Name** - Print or type your Last Name, First Name and Middle Name.
- **Signature of Person Being Fingerprinted** – The applicant must sign the legal name in this block. The card should be signed prior to rolling the fingerprints to prevent smearing. The card must be signed in the presence of the official taking the fingerprints.
- **Aliases (AKA)** - List any aliases used in the past (e.g. Dutch, Tex, Bunny) Female applicants using a married name should enter their maiden name in this block.
- **Date of Birth (DOB)** - Date of birth must be entered as month, day, year.
- **Residence of Person Fingerprinted** - List the street address, city and state of where you reside.
- **Social Security Number (SOC)** - Enter your social security number
- **Citizenship (CTZ)** - Enter the country of which you are a citizen.
- **Sex** - Use M for Male and F for Female
- **The Federal Bureau of Investigation has standardized the following race codes. Use only the following letters** -
  - A – Asian or Pacific Islander - a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian sub-continent or the Pacific Islands.
  - B – Black - a person having origins in any of the black racial groups of Africa.
  - I – American Indian or Alaskan Native - a person having origins in any of the original peoples of the Americas and who maintains cultural identification through tribal affiliations or community recognition.
  - W – White - a person having origins in any of the original peoples of Europe, North Africa or Middle East. You may notice that Hispanic is not included in these codes. The FBI classifies Hispanic as an ethnic indicator, not a race.
  - **Note:** Hispanics should be entered with the race code most clearly representing the individual.
- **HGT (Height)** - Enter height in feet and inches such as 5’11” as 511. Do not use fractions.
- **WGT (Weight)** - Enter weight in pounds such as 180 lbs. as 180
- **EYES** - eye color. Use the following abbreviations:
  - BLK – Black
  - BLU – Blue
  - BRO – Brown
  - GRY – Gray
  - GRN – Green
  - HZL – Hazel
- **HAIR** - hair color. Use the following abbreviations:
  - BLK – Black
  - BRO – Brown
  - GRY – Gray
  - RED – Red
  - WHI – White
  - BAL – Bald
  - BLD – Blonde
- **Place of Birth (POB)** - Enter the state, territorial possession, province or country of birth.
- **Reason for Fingerprints** - Enter Private Security Guard
IF THE REQUIRED DATA FIELDS ARE ILLEGIBLE OR INCOMPLETE, THE CARD COULD BE REJECTED.

The person taking the fingerprints must sign and date the card in the space provided. Once the prints have been rolled, the application and fees along with the fingerprint card should then be placed in an envelope and the envelope sealed. Once the envelope has been sealed, it must arrive to the Department of Licensing unopened. Envelopes that arrive with the seal broken will be considered a break in the Chain of Custody and could be returned.

Armed Endorsement

Individuals applying for the security guard license with an armed endorsement must submit the fee, a fingerprint card, and Private Security Guard application form to the Department of Licensing and a firearm certificate issued by the Criminal Justice Training Commission.

Armed license requirements:

- The Department of Licensing must receive verification of a current Firearms Certificate before the armed endorsement can be issued. The Criminal Justice Training Commission provides the Firearms Certification. (See page 15 for more information.)

- Applicants must be at least 21 years old to qualify for an armed endorsement on their security guard license.

- Applicants cannot work as an armed security guard until a permanent license with the armed endorsement from the Department of Licensing has been received.

- Licensees must carry the security guard license with the armed endorsement on their person while on active armed security guard duty.

Expiration dates of the security guard licenses do not change with the addition of the armed security guard endorsement. The expiration date that the unarmed license was issued will remain the same.
Criminal Justice Training Commission
Firearms Certifications

To apply for an armed security guard license endorsement, all applicants must complete an eight-hour Security Guard Firearms Certification Course. The Criminal Justice Training Commission (CJTC) provides the Firearm Certification courses and firearms certificates.

CJTC is a separate state agency, not a part of the Department of Licensing. Do not submit applications or fees for Firearm Certifications to the Department of Licensing.

The Department of Licensing requires documentation of Firearm Certification only for the original license.

All armed licensees must re-certify each year with CJTC before renewing the armed license, and documentation of the current Firearm Certification must be kept in the employee’s file for three years.

For more information about the Firearm Certification process and application forms and fees contact:

Summary of Hiring Procedures

The following licensing requirements must be completed before assigning a new security guard employee to duty.

1. The security guard company employer must provide 8 hours of preassignment training to each security guard applicant before the employee works guard duty. A certified trainer must administer or provide oversight to the training. The training subjects are listed beginning on page 5.

2. A certified trainer must provide and administer the preassignment state exam to each security guard applicant. A certified trainer must review any incorrect answers with the applicant.

3. The security guard principal or a certified trainer and the applicant must complete the security guard application form and a fingerprint card.

4. At this point, the security guard company employer can issue a temporary registration card to the security guard applicant. The temporary registration card number must be entered on the application form.

5. Mail the application, fingerprint card and fees to the Department of Licensing within 3 business days after the temporary registration card is issued.
Postassignment Training Requirements

All security companies must provide eight hours of post assignment training to licensed security guards in the second year of security guard employment. Certified Trainer Application Process and Responsibilities

Certified trainers are required to be licensed.
A certified trainer is a licensed security guard that has met the requirements to hold the authority to provide the preassignment training and examination to security guard applicants as required under RCW 18.170. The certified trainer has an endorsement on their security guard license that states they possess the certification.

- To apply for a certified trainer endorsement, an individual must be a licensed security guard or a security guard company principal. The application form titled ‘Certified Trainer Examination’ must be completed and submitted with the application fee.

- When the application is received by the Department of Licensing, we will call the applicant with instructions for taking the exam. The exams are given at a Licensing Services Office location of the applicant’s choice.

- The applicant must score at least 85 percent on the certified trainer examination to become a certified trainer. Individuals who fail to obtain an 85 percent score must wait a minimum of seven days before they can retake the exam.

- When the exam is passed, a letter of confirmation and a copy of the preassignment training exam and answer key are sent by the Department of Licensing to the new certified trainer. This is the written exam the certified trainer will give to security guard applicants after the preassignment training. A revised security guard license is issued and mailed to the certified trainer’s company with the certified trainer endorsement on the license. The company is responsible for giving the license to the certified trainer.

There is no limit to the number of certified trainers a security guard company may have.

What to study to pass the Private Security Guard Principal and Certified Trainer Examination?

All principals and certified trainers must demonstrate knowledge and proficiency in the following areas:
• All topics in the security guard presassignment training course
• Washington state laws regarding security guard licensing and regulations
• Legal and liability issues related to the security guard industry
• General security management

Certified trainers have several responsibilities.

- Protect the integrity of the preassignment written exam.

- Provide preassignment training to employees of licensed security guard companies.

- Administer the test to employees after the preassignment training is completed

- Review all incorrect answers with the individual to ensure they understand what the correct responses are and sign the reviewed exam.

- Sign the temporary registration cards issued to applicants trained by the certified trainer.

- Certify completion of the preassignment training and testing on the applicant’s security guard license application form.

- Oversee, record, and attest to all pre and postassignment training requirements and annual refresher training.

- Maintain records of all pre and postassignment training and exams for three years.
License Renewals

Procedures for renewing are easy.
Renewal notices are provided as a courtesy 90 days before expiration. If a license is transferred inside the 90 days prior to the expiration of the license, you will not receive a renewal notice. This is because the renewal notice was sent to the previous employer. When this happens, the renewal should be paid at the time of transfer. If you don’t have a renewal notice for whatever reason within 20 days of expiration, send in your renewal payment with the form stating the name and the license number you are renewing.

Options for renewing licenses.
- Send the renewal notice with the return envelope and fee.
- Send the request to renew the license on a Private Security Guard Application form. Mark the box that says renewal and submit the appropriate fees with the application.

Late renewal fees can be avoided by renewing on time.
- Licenses issued to security guards expire one year from the date of issuance.

- Licenses issued to security guard companies expire one year from the date of issuance.

- Licenses must be renewed each year on or before the expiration date by paying a license renewal fee.

- If the license renewal fee is not received by the Department of Licensing on or before the renewal date, an additional penalty fee must be paid.

Cancelled records require individuals to apply as new applicants.
The renewal fee must be received by the Department of Licensing within one year of the license expiration date. If the late-renewal fee is not received within one year, the license and record are cancelled. After a record is cancelled, the person must start over as a new applicant.

When starting over as a new applicant, all requirements for initial licensing must be met. This includes the successful completion of any applicable training, examination requirements, background check and required fee.
Termination of Security Guard Employees
Transfers/Rehires

Termination of employment requires notification from the employer.

- A person may only perform duties and activities of a security guard while in compliance with security guard licensing laws and while under the direction and supervision of a licensed security guard company.

- At any time, either the company principal or the security guard may terminate their employee-employer relationship.

- The company must notify the Department of Licensing within 30 days that the relationship has been terminated. The notification must include the security guard's license that was held by the company. The termination date and the signature of the company principal or authorized representative must be written on the license.

- If the license held by the company cannot be surrendered to the Department of Licensing because the license has been lost, the company principal or authorized representative must send us a written notice reporting the termination and that the license was lost.

Transfers and rehires of security guards require forms and fees.
A license transfer is when a security guard employee moves from one security guard company to another security guard company.

- A transfer or rehire of a security guard is like a reactivation of the license. This process requires a notification to the Department of Licensing. To do this you must send a completed Private Security Guard Application form. Mark the Transfer/Rehire box at the top of the application and include the listed fee. The license expiration date doesn’t change. A license will be not be issued if the license is expired.

- When the Department of Licensing receives the transfer or rehire application, the license will be reactivated and mailed to the security guard company.

- Temporary registration cards can be issued for unarmed security guard transfer applicants because they are new hires, but must still be signed by a certified trainer and recorded on the temporary registration card log, and
only if proof of preassignment training with a prior employer can be verified.

- Fingerprint cards do not need to be submitted with a transfer application unless you have been told specifically to do so by the Department of Licensing for a particular individual.

**Access the Professional License Query website on the Internet.**
Make sure you go to the web address, [https://fortress.wa.gov/dol/dolprod/bpdLicenseQuery/](https://fortress.wa.gov/dol/dolprod/bpdLicenseQuery/) to see if the license you are transferring is due for renewal or has already expired. The transfer and the renewal should be processed at the same time. See page 4 for more details.

This is also a good time to check the status of the applicant before hiring.
Security Guard Company Principal License
Change of Company Principal

In addition to meeting the minimum requirements to obtain a license as a security guard, a sole proprietor applicant, or if a partnership, each partner, or, if a corporation, the qualifying agent for the corporation, must meet the following requirements to obtain a security company license:

- Possess 3 years experience as a manager, supervisor, or administrator in the private security business or a related field approved by the Department of Licensing, or be at least 21 years of age and pass an examination.

- A licensed private security company must file and maintain with the Department of Licensing a current certificate of insurance as evidence that it has minimum comprehensive general liability coverage of $50,000 – at least $25,000 for bodily or personal injury and $25,000 for property damage.

- Pay any additional fees established by the Department of Licensing.

- The security guard company must have an in-state physical address.

Licenses to own or operate a private security guard company may not be issued to an applicant if the name of the company portrays the company as a public law enforcement agency, or in association with a public law enforcement agency, or includes the word “police”.

Security guard company licenses are non-transferable.

Security guard companies can change principals as needed.
If the principal or also called qualified agent, stops working as the principal on a regular basis, the principal must promptly notify the Department of Licensing in writing.

Within 60 days of sending notification to the Department of Licensing, the company must obtain a replacement principal who meets the requirements of this section and submit a Change of Principal application and required fees and fingerprint cards. The Department of Licensing may extend the period for obtaining a replacement principal.
Branch Offices and Notification Requirements

Branch offices for security guard companies must be identified.
A principal of a private security guard company must notify the Department of Licensing of the addresses of all branch offices in the space provided on the initial company application. The Department of Licensing will issue a duplicate license for each of the branch offices showing the location of the main office and the particular branch.

Each branch license shall be displayed in the office for which it is issued. The principal must notify the Department of Licensing by mail, within 30 days, of any changes to branch office addresses. This includes additions or deletions of branches. There are no fees required for branch security guard company licenses.

There are several occasions when a notification is required.

- A private security company must notify the Department of Licensing and their local law enforcement agency within 72 hours from receipt of information affecting the company or the security guard’s continuing eligibility to hold a license under the provisions of RCW 18.170.110.

- A private security guard company must notify the local law enforcement agency whenever an employee who is an armed private security guard discharges his or her firearm while on duty. This does not include on a supervised firearm range. The notification must be made within 10 business days of the date the firearm is discharged.

- The principal of a private security guard company must notify the Department of Licensing of the change of location and mailing address of the company office within 10 working days. Notification must be made in writing by submitting a change of address form which is available on the Department of Licensing website at: http://www.dol.wa.gov/forms/690004.pdf.
Criminal History

What happens when an applicant or licensee has criminal history?
When background check results are returned to the Department of Licensing from WSP and/or FBI with a criminal history record, the conviction(s) are reviewed. A determination is then made regarding whether the applicant/licensee meets the minimum qualifications to be licensed as a security guard in this state.

What are the specific criteria that would determine that an applicant/licensee does not meet the minimum qualifications or requirements?

Washington State Law RCW 18.235.130 Unprofessional Conduct. The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person’s professions or operation of the person’s business, whether the act constitutes a crime or not . . . For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere (no contest) is the basis for the conviction and all proceeding in which the sentence is deferred or suspended…;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(6) Failure to cooperate with the disciplinary authority in the course of an investigation, audit, or inspection authorized by law by:
   (a) not furnishing any papers or documents requested by the disciplinary authority.

(13) Conviction of any gross misdemeanor or felony relating to the practice of the person’s profession or operation of the person’s business. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere (no contest) is the basis for the conviction and all proceeding in which the sentence is deferred or suspended.

Washington State Law RCW 18.170.170 Unprofessional Conduct. In addition to the unprofessional conduct described in RCW 18.235.130, a list is provided for “conduct, acts, or conditions” which “constitute unprofessional conduct for any license holder or applicant under the jurisdiction of” these chapters.
What happens if the applicant/licensee falls under these criteria?
They will be offered due process called a Brief Adjudicative Proceeding (BAP).

**Request for Required Information and Request for Disposition of Record(s) to the Court**

An applicant/licensee will be sent a **Request for Required Information** letter if the Department of Licensing has received criminal history back from WSP and/or FBI with no criminal classification, arrest data only or no disposition. The intent of this letter is to give the applicant/licensee an opportunity to demonstrate that the findings on his/her criminal history report are incorrect or incomplete.

During this process, the applicant can continue to work on their temporary registration card. If the 60 day time frame is about to expire, please call the program at (360) 664-6611 to extend the temporary registration card until this process is complete.

Enclosed with the Request for Information letter is a **Request for Disposition of Record(s)** form. This form is to be used in acquiring conviction or dismissal information from the court. This form needs to be filled out and signed by a court authority, not by the applicant/licensee. We will also accept court documentation of the final disposition.

The applicant/licensee is required to respond to this request for information within 30 days from the date of service of the letter. Service is deemed complete upon deposit in the United States mail.

If a response from the applicant is not received within the 30 days, the Department of Licensing will reject the application and stop processing the license application. If in the future, the applicant decides they want a license, they must reapply with a new application and pay the required fee.

If a response from the licensee is not received within the 30 days, the Department of Licensing will initiate administrative procedures to revoke his/her application/licensee for failure to respond.

The applicant/licensee can call the program to request an extension if they are unable to meet the 30 day time frame.

If the applicant/licensee does respond and sends the Department of Licensing court documents that indicate that the criminal history has been vacated, dismissed,
expunged, charges not file, etc. or the courts filled out the disposition form with proof that the criminal history has been (same as above), applicant/licensee may qualify for licensure.

If the applicant/licensee meets the requirements, the license is issued by the Department of Licensing.
Brief Adjudicative Proceeding (BAP)

Notice of Intent to Deny or Statement of Charges

An applicant will be sent a Notice of Intent to Deny and the licensee will be sent a Statement of Charges if:

1. The Department of Licensing has received criminal history from WSP and FBI with a complete criminal conviction record. The Department of Licensing determines that the applicant/licensee particular crime directly relates to his or her capacity to perform the duties of a private security guard, and determines that the license should be withheld to protect the citizens of Washington State. *Per RCW 18.170.030(3) and RCW 18.235.130(13).*

Request for Brief Adjudicative Proceeding form

The applicant/licensee is offered the opportunity to request a BAP to contest the decision made by the Department of Licensing regarding denial of their application/license.

Enclosed with the Notice of Intent to Deny is a form entitled Request for Brief Adjudicative Proceeding. In order to request a BAP, the applicant/licensee must complete this form, attach any evidence including a written statement explaining why the conviction information is incorrect, and provide any court documents. *Per RCW 34.05 and WAC 308-18.*

The request and attachments must be received back to the Department of Licensing within 20 days. Failure to request a BAP within 20 days will result in the loss of their rights to a BAP and a denial/revocation of their application/license.

If the applicant/licensee needs more time to collect their information, they will need to send in the Request for Brief Adjudicative Proceeding and then call the Department of Licensing and ask for an extension to the time frame.

When the applicant has received a Notice of Intent to Deny, the applicant must immediately surrender their temporary registration card to their employer and can no longer work until this matter is taken care of. *Per RCW 18.170.090(2).*

When the licensee has received a Statement of Charges, the licensee can continue to work until the matter is resolved.
Order of Default
If a Request for Brief Adjudication Proceeding Form is not received back within the 20 days, an Order of Default is mailed to the applicant/licensee and employer. The Order of Default is a signed order by the Administrator of the Public Protection Services Section informing them of the denial/revocation of their application/licensee. The original Order of Default is filed in the applicant’s/licensee’s file.

The BAP Hearing
If the Request for Brief Adjudicative Proceeding Form is received to proceed with the BAP within the 20-day time frame, a Notification of BAP Schedule letter will be sent to the applicant/licensee with the date the BAP will be conducted.

The applicant/licensee does not come to the proceeding. It is very important for them to provide the department court documents, written explanation, etc. to prove their case.

A Presiding Officer that has been designated by the Director of the Department of Licensing will conduct the BAP. The Presiding Officer will have agency expertise in the subject matter, but has not personally participated in the decision determined by the Department of Licensing. The Presiding Officer will review the applicant/licensee file and documentation provided by the applicant/licensee. The Presiding Officer will issue an Initial Order to the applicant/licensee within 10 days.

The Initial Order is called, The Findings of Fact, Conclusion of Law, and Order of Brief Adjudicative Proceeding. It explains the background and basis for the decision in this, the first step of the appeal of the department’s proposed action against a license. The Initial Order will state whether the applicant/licensee is eligible for licensure or not eligible. The signed original Initial Order is filed in the applicant/licensee file. A copy of the Initial Order is sent certified and through the US mail to the applicant/licensee. A copy of the cover letter of the Initial Order is sent to employer.

What if the applicant/licensee does not agree with the Initial Order?
You have a right to appeal. It is called an Administrative Review. An Administrative Review is limited to re-evaluating the record (including any new information or documents submitted with the appeal). The Department must receive the request within 21 days of service of the Initial Order.
Administrative Review
The Reviewing Officer reviews the file. The Reviewer can overturn the decision of the Presiding Officer and the license is issued; or the Reviewing Officer agrees (sustains) with the decision of the Presiding Officer and the license is denied/revoked. If a request for review of the Initial Order is not received within 20 days, the Initial Order will be the Final Order.

The applicant/licensee can petition for review of his/her file all the way to superior court.

Recommended sanctions used to determine length of time that must pass before an applicant can reapply for licensure as a private security guard. 1 – 10 represent years

The first chart below also represents how much time must pass from the date of the conviction before an applicant would qualify for a security guard license. The applicant must admit to having the conviction on the state application form.

The above represents a suggested guideline in establishing requests for sanctions after a finding to deny or revoke in a Brief Adjudicative Proceeding. Most final orders are expressed in the manner of “you have no right to re-apply until _____;” rather than a specified time frame. Two points of time were selected as a beginning point in establishing sanctions, from the date of conviction and the date of the final order.

**Date of conviction** is used as a beginning date for sanctions for gross misdemeanor offenses, “C,” “B,” and “A” class felonies as displayed above and range from six to ten years.

**Date of the order** is used as a beginning date for sanctions regarding misrepresentation. The date of the order may represent a finding by the Hearing Officer of a violation of administrative law.

**Date of the order** is used as a beginning date for sanctions regarding failure to respond to the Request for Information by the licensee and represents one year. The date of the order may represent a finding by the Hearing Officer of a violation of administrative law.

Individual instances of several past offenses or serious offenses outside established time frames, but constitute a propensity to re-offend, will be considered on a case to case basis.

The temporary registration card permits the applicant to perform the duties of a private security guard for the issuing licensee.

(2) Upon expiration of a temporary registration card or upon the receipt of a permanent registration card or notification from the department that a permanent license is being withheld from an applicant, the applicant shall surrender his or her temporary registration card to the licensee.

The initial postassignment training must be in the topic areas established by the director and may be classroom instruction or individual instruction, or both. Upon receipt of a processing fee to be determined by the director, the director shall issue the individual a private security guard license card or armed private security guard license card.

(2) A valid private security guard license, registration, identification, or similar card issued by any other state of the United States is valid in this state for a period of ninety days, but only if the licensee is on temporary assignment as a private security guard for the same employer that employs the licensee in the state in which he or she is a permanent resident.

(3) A person from another state on temporary assignment in Washington may not solicit business in this state or represent himself or herself as licensed in this state. [1995 c 277 § 9; 1991 c 334 § 12.]

18.170.130 Investigation of applicants.

(1) Applications for licenses required under this chapter shall be filed with the director on a form provided by the director. The director may require any information and documentation that reasonably relates to the need to determine whether the applicant meets the criteria.

rules licensing for regulatory purposes such persons, except as provided in subsections (2) and (3) of this section.

(2) This section shall not be construed to prevent a political subdivision of this state from levying a business license fee, business and occupation tax, or other tax upon private security companies if such fees or taxes are levied on other types of businesses within its boundaries.

(3) This section shall not be construed to prevent this state or a political subdivision of this state from licensing or regulating private security companies with respect to activities performed or offered that are not of a security nature. [1991 c 334 § 14.]

18.170.150 Out-of-state private security guards operating across state lines. Private security guards or armed private security guards whose duties require them to operate across state lines may operate in this state if they are properly registered and certified in another state with training, insurance, and certification requirements that the director finds are at least equal to the requirements of this state. [1991 c 334 § 15.]

18.170.160 Licenses required—Use of public law enforcement insignia prohibited—Penalties—Enforcement. (1) After June 30, 1992, any person who performs the functions and duties of a private security guard in this state without being licensed in accordance with this chapter, or any person presenting or attempting to use as his or her own the license of another, or any person who gives false or forged evidence of any kind to the director in obtaining a license, or any person who falsely impersonates any other licensee, or any person who attempts to use an expired or revoked license, or any person who violates any of the provisions of this chapter is guilty of a gross misdemeanor.

(2) After January 1, 1992, a person is guilty of a gross misdemeanor if he or she owns or operates a private security company in this state without first obtaining a private security company license.

(3) After June 30, 1992, the owner or qualifying agent of a private security company is guilty of a gross misdemeanor if he or she employs an unlicensed person to perform the functions and duties of a private security guard to use any name that includes the word "police" or "law enforcement" or that portrays the individual or a business as a public law enforcement agency.

(4) After June 30, 1992, a person is guilty of a gross misdemeanor if he or she performs the functions and duties of a private security guard knowing that he or she does not have a valid armed private security guard license issued by the director.

(6) It is a gross misdemeanor for a person to possess or use any vehicle or equipment displaying the word "police" or "law enforcement officer" or having any sign, shield, marking, accessory, or insignia that indicates that the equipment or vehicle belongs to a public law enforcement agency.

(7) It is a gross misdemeanor for any person who performs the functions and duties of a private security guard to use any name that includes the word "police" or "law enforcement" or that portrays the individual or a business as a public law enforcement agency.

(8) It is the duty of all officers of the state and political subdivisions thereof to enforce the provisions of this chapter. The attorney general shall act as legal adviser of the director, and render such legal assistance as may be necessary in carrying out the provisions of this chapter. [1991 c 334 § 16.]

18.170.163 License or certificate suspension—Nonpayment or default on educational loan or scholarship. The director shall suspend the license or certificate of any person who has been certified by a lending agency and reported to the director for nonpayment or default on a federally or state-guaranteed educational loan or service-conditional scholarship. Prior to the suspension, the agency must provide the person an opportunity for a brief adjudicative proceeding under RCW 34.05.485 through 34.05.494 and issue a finding of nonpayment or default on a federally or state-guaranteed educational loan or service-conditional scholarship. The person’s license or certificate shall not be reissued until the person provides the director a written release issued by the lending agency stating that the person is making payments on the loan in accordance with a repayment agreement approved by the lending agency. If the person has continued to meet all other requirements for licensure or certification during the suspension, reinstatement shall be automatic upon receipt of the notice and payment of any reinstatement fee the director may impose. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the director’s receipt of a release issued by the department of social and health services stating that the person is in compliance with the order. [1997 c 58 § 838.]

*Reviser’s note: 1997 c 58 § 887 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. 18.170.165 Transfer of license. A licensee who transfers from one company to another must submit a transfer application on a form prescribed by the director along with a transfer fee established by the director. [1995 c 277 § 2.]

18.170.170 Unprofessional conduct. In addition to the unprofessional conduct described in RCW 18.235.130, the following conduct, acts, or conditions constitute unprofessional conduct:

1. Knowingly violating any of the provisions of this chapter or the rules adopted under this chapter;

2. Practicing fraud, deceit, or misrepresentation in any of the private security activities covered by this chapter;

3. Knowingly making a material misstatement or omission in the application for a firearms certificate;

4. Not meeting the qualifications set forth in RCW 18.170.030, 18.170.040, or 18.170.060;

5. Failing to return immediately on demand a firearm issued by an employer;

6. Carrying a firearm in the performance of his or her duties if not the holder of a valid armed private security guard license, or carrying a firearm not meeting the provisions of this chapter while in the performance of his or her duties;

7. Failing to return immediately on demand any uniform, badge, or other item of equipment issued to the private security guard by an employer;

8. Making any statement that would reasonably cause another person to believe that the private security guard is a sworn peace officer;

9. Divulging confidential information that may compromise the security of any premises, or valuables shipment, or any activity of a client to which he or she was assigned;

10. Assigning or transferring any license issued pursuant to the provisions of this chapter, except as provided in RCW 18.170.060;

11. Failure to maintain insurance; and

12. Failure to have a qualifying principal in place. [2002 c 86 § 248; 1997 c 58 § 837; 1995 c 277 § 12; 1991 c 334 § 17.]

Effective dates—2002 c 86: See note following RCW 18.08.340.

18.170.210 Application of administrative procedure act to hearings. The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern all hearings before the director. [1991 c 334 § 21.]

18.170.220 Inability to practice by reason of a mental or physical condition—Statement of charges—Hearing—Sanctions—Examinations—Presumed consent. (1) If the director believes a license holder or applicant may be unable to practice with reasonable skill and safety to the public by reason of a mental or physical condition, a statement of charges shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill or safety. If the director determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the director shall impose such sanctions as are deemed necessary to protect the public.

(2) In investigating or adjudicating a complaint or report that a license holder or applicant may be unable to practice with reasonable skill or safety by reason of a mental or physical condition, the department may require a license holder or applicant to submit to a mental or physical examination by one or more licensed or certified health professionals designated by the director. The cost of the examinations ordered by the department shall be paid by the department. In addition to any examinations ordered by the department, the licensee may submit physical or mental examination reports from licensed or certified health professionals of the license holder’s or applicant’s choosing and expense. Failure of the license holder or applicant to submit to examination when directed constitutes grounds for immediate suspension or withholding of the license, consequent upon which a default and final order may be entered without the taking of testimony or presentations of evidence, unless the failure was due to circumstances beyond the person’s control. A determination by a court of competent jurisdiction that a license holder or applicant is mentally incompetent or mentally ill is presumptive evidence of the license holder’s or applicant’s inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate that the individual can resume competent practice with reasonable skill and safety to the public.

(3) For the purpose of subsection (2) of this section, an applicant or license holder governed by this chapter, by making application, practicing, or filing a license renewal, is
deemed to have given consent to submit to a mental, physical, or psychological examination if directed in writing by the department and further to have waived all objections to the admissibility or use of the examining health professional’s testimony or examination reports by the director on the ground that the testimony or reports constitute hearsay or privileged communications.  [1991 c 334 § 22.]

18.170.230 Unprofessional conduct or inability to practice—Penalties. Upon a finding that a license holder or applicant has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the director may issue an order providing for one or any combination of the following:

(1) Revocation of the license;
(2) Suspension of the license for a fixed or indefinite term;
(3) Restriction or limitation of the practice;
(4) Requiring the satisfactory completion of a specific program of remedial education or treatment;
(5) Monitoring of the practice by a supervisor approved by the director;
(6) Censure or reprimand;
(7) Compliance with conditions of probation for a designated period of time;
(8) Withholding a license request;
(9) Other corrective action;
(10) Refund of fees billed to and collected from the consumer; or
(11) The assessment of administrative penalties.

Any of the actions under this section may be totally or partly stayed by the director. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.  [1995 c 277 § 15; 1991 c 334 § 23.]

18.170.280 Application of administrative procedure act to acts of the director. The director, in implementing and administering the provisions of this chapter, shall act in accordance with the administrative procedure act, chapter 34.05 RCW.  [1991 c 334 § 28.]

18.170.290 Uniform regulation of business and professions act. The uniform regulation of business and professions act, chapter 18.235 RCW, governs unlicensed practice, the issuance and denial of licenses, and the discipline of licensees under this chapter.  [2002 c 86 § 250.]

Effective dates—2002 c 86: See note following RCW 18.08.340.

18.170.300 Reciprocity agreements. The director has the authority to negotiate reciprocity agreements with other states allowing licensed security officers from Washington to work in those other states.  [2004 c 50 § 3.]

18.170.900 Severability—1991 c 334. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.  [1991 c 334 § 30.]

18.170.901 Severability—1995 c 277. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.  [1995 c 277 § 40.]

18.170.902 Effective date—1995 c 277. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [May 9, 1995].  [1995 c 277 § 41.]

2. Investigate complaints or reports of unprofessional conduct and hold hearings as provided in this chapter;

3. Issue subpoenas and administer oaths in connection with any investigation, hearing, or proceeding held under this chapter;

4. Take or cause depositions to be taken and use other discovery procedures as needed in an investigation, hearing, or proceeding held under this chapter;

5. Compel attendance of witnesses at hearings;

6. Conduct practice reviews in the course of investigating a complaint or report of unprofessional conduct, unless the disciplinary authority is authorized to audit or inspect applicants or licensees under the chapters specified in RCW 18.235.020;

7. Take emergency action ordering summary suspension of a license, or restriction or limitation of the licensee’s practice or business pending proceedings by the disciplinary authority;

8. Appoint a presiding officer or authorize the office of administrative hearings, as provided in chapter 34.12 RCW, to conduct hearings. The disciplinary authority may make the final decision regarding disposition of the license unless the disciplinary authority elects to delegate, in writing, the final decision to the presiding officer;

9. Use individual members of the boards and commissions to direct investigations. However, the member of the board or commission may not subsequently participate in the hearing of the case;

10. Enter into contracts for professional services determined to be necessary for adequate enforcement of this chapter;

11. Grant or deny license applications, secure the return of a license obtained through the mistake or inadvertence of the department or the disciplinary authority after providing the person so licensed with an opportunity for an adjudicative proceeding, and, in the event of a finding of unprofessional conduct by an applicant or license holder, impose any sanction against a license applicant or license holder provided by this chapter;

12. Designate individuals authorized to sign subpoenas and statements of charges;

13. Establish panels consisting of three or more members of the board or commission to perform any duty or authority within the board’s or commission’s jurisdiction under this chapter; and

14. If the subject licensee, registrant, or endorsement or permit holders may only practice or operate a business under the supervision of another licensee, registrant, or endorsement or permit holder under the terms of the law regulating that occupation or business, the supervising licensee, registrant, or endorsement or permit holder must consent to the monitoring or supervision under this subsection, unless the supervising licensee, registrant, or endorsement or permit holder is, at the time, the subject of a disciplinary order. (3) To establish fees to be paid for witnesses, expert witnesses, and consultants used in any investigation or adjudicative proceedings as authorized by RCW 34.05.446. [2007 c 256 § 13; 2002 c 86 § 105.]

18.235.050 Statement of charges—Hearing. (1) If the disciplinary authority determines, upon investigation, that there is reason to believe that a license holder or applicant for a license has violated RCW 18.235.130 or has not met a minimum eligibility criteria for licensure, the disciplinary authority may prepare and serve the license holder or applicant a statement of charge, charges, or intent to deny. A notice that the license holder or applicant may request a hearing to contest the charge, charges, or intent to deny must accompany the statement. The license holder or applicant must file a request for a hearing with the disciplinary authority within twenty days after being served the statement of charges or statement of intent to deny. The failure to request a hearing constitutes a default, whereupon the disciplinary authority may enter a decision on the facts available to it.

(2) If a license holder or applicant for a license requests a hearing, the disciplinary authority must fix the time of the hearing as soon as convenient, but not earlier than thirty days after the service of charge, charges, or intent to deny. The disciplinary authority may hold a hearing sooner than thirty days only if the disciplinary authority has issued a summary suspension or summary restriction. [2007 c 256 § 14; 2002 c 86 § 106.]

18.235.060 Procedures governing adjudicative proceedings. The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern all hearings before the disciplinary authority. The disciplinary authority has, in addition to the powers and duties set forth in this chapter, all of the powers and duties under chapter 34.05 RCW, which include, without limitation, all powers relating to the administration of oaths, the receipt of evidence, the issuance and enforcing of subpoenas, and the taking of depositions. [2002 c 86 § 107.]

18.235.070 Previous denial, revocation, or suspension of license. The department shall not issue a license to any person whose license has been previously denied, revoked, or suspended by the disciplinary authority for that profession or business, except in conformity with the terms and conditions of the certificate or order of denial, revocation, or suspension, or in conformity with any order of reinstatement issued by the disciplinary authority, or in accordance with the final judgment in any proceeding for review instituted under this chapter. [2002 c 86 § 108.]

18.235.080 Orders. An order pursuant to proceedings authorized by this chapter, after due notice and findings in accordance with this chapter and chapter 34.05 RCW, or an order of summary suspension entered under this chapter, takes effect immediately upon its being served. The final order, if appealed to the court, may not be stayed pending the appeal unless the disciplinary authority or court to which the appeal is taken enters an order staying the order of the disciplinary authority, which stay shall provide for terms necessary to protect the public. [2007 c 256 § 15; 2002 c 86 § 109.]

18.235.090 Appeal. A person who has been disciplined or has been denied a license by a disciplinary authority may appeal the decision as provided in chapter 34.05 RCW. [2007 c 256 § 16; 2002 c 86 § 110.]

18.235.100 Reinstatement. A person whose license has been suspended or revoked under this chapter may petition the disciplinary authority for reinstatement after an interval of time and upon conditions determined by the disciplinary authority in the order suspending or revoking the license. The disciplinary authority shall act on the petition in accordance with the adjudicative proceedings provided under chapter 34.05 RCW and may impose such conditions as authorized by RCW 18.235.110. The disciplinary authority may require successful completion of an examination as a condition of reinstatement. [2007 c 256 § 17; 2002 c 86 § 111.]

18.235.110 Unprofessional conduct—Finding. (1) Upon finding unprofessional conduct, the disciplinary authority may issue an order providing for one or any combination of the following:

(a) Revocation of the license for an interval of time;
(b) Suspension of the license for a fixed or indefinite term;
(c) Restriction or limitation of the practice;
(d) Satisfactory completion of a specific program of remedial education or treatment;
(e) Monitoring of the practice in a manner directed by the disciplinary authority;
(f) Censure or reprimand;
(g) Compliance with conditions of probation for a designated period of time;
(h) Payment of a fine for each violation found by the disciplinary authority, not to exceed five thousand dollars per violation. The disciplinary authority must consider aggravating or mitigating circumstances in assessing any fine. Funds received must be deposited in the related program account;
(i) Denial of an initial or renewal license application for an interval of time; or
(j) Other corrective action.

(2) The disciplinary authority may require reimbursement to the disciplinary authority for the investigative costs incurred in investigating the matter that resulted in issuance of an order under this section, but only if any of the sanctions in subsection (1)(a) through (j) of this section is ordered.

(3) Any of the actions under this section may be totally or partly stayed by the disciplinary authority. In determining what action is appropriate, the disciplinary authority must first consider what sanctions are necessary to protect the public health, safety, or welfare. Only after these provisions have been made may the disciplinary authority consider and include in the order requirements designed to rehabilitate the license holder or applicant. All costs associated with compli-
18.235.120  **Payment of a fine.** Where payment of a fine is required as a result of a disciplinary action under RCW 18.235.060 or 18.235.150 and timely payment is not made as directed in the final order, the disciplinary authority may enforce the order for payment in the superior court in the county in which the hearing was held. This right of enforcement is in addition to any other rights the disciplinary authority may have as to any licensee ordered to pay a fine but may not be construed to limit a licensee’s ability to seek judicial review under RCW 18.235.090. In any action for enforcement of an order of payment of a fine, the disciplinary authority’s order is conclusive proof of the validity of the order of a fine and the terms of payment. [2002 c 86 § 113.]

18.235.130  **Unprofessional conduct—Acts or conditions that constitute.** The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person’s profession or operation of the person’s business, whether the act constitutes a crime or not. At the disciplinary hearing a certified copy of a final holding of any court of competent jurisdiction is conclusive evidence of the conduct of the license holder or applicant upon which a conviction or the final holding is based. Upon a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Except as specifically provided by law, nothing in this subsection abrogates the provisions of chapter 9.96A RCW. However, RCW 9.96A.020 does not apply to a person who is required to register as a sex offender under RCW 9A.44.130;

(2) Misrepresentation or concealment of a material fact in obtaining or renewing a license or in reinstatement thereof;

(3) Advertising that is false, deceptive, or misleading;

(4) Incompetence, negligence, or malpractice that results in harm or damage to another or that creates an unreasonable risk of harm or damage to another;

(5) The suspension, revocation, or restriction of a license to engage in any business or profession by competent authority in any state, federal, or foreign jurisdiction. A certified copy of the order, stipulation, or agreement is conclusive evidence of the revocation, suspension, or restriction;

(6) Failure to cooperate with the disciplinary authority in the course of an investigation, audit, or inspection authorized by law by:

(a) Not furnishing any papers or documents requested by the disciplinary authority;

(b) Not furnishing in writing an explanation covering the matter contained in a complaint when requested by the disciplinary authority;

(c) Not responding to a subpoena issued by the disciplinary authority, whether or not the recipient of the subpoena is the accused in the proceeding; or

(d) Not providing authorized access, during regular business hours, to representatives of the disciplinary authority conducting an investigation, inspection, or audit at facilities utilized by the license holder or applicant;

(7) Failure to comply with an order issued by the disciplinary authority;

(8) Violating any of the provisions of this chapter or the chapters specified in RCW 18.235.020(2) or any rules made by the disciplinary authority under the chapters specified in RCW 18.235.020(2);

(9) Aiding or abetting an unlicensed person to practice or operate a business or profession when a license is required;

(10) Practice or operation of a business or profession beyond the scope of practice or operation as defined by law or rule;

(11) Misrepresentation in any aspect of the conduct of the business or profession;

(12) Failure to adequately supervise or oversee auxiliary staff, whether employees or contractors, to the extent that consumers may be harmed or damaged;

(13) Conviction of any gross misdemeanor or felony relating to the practice of the person’s profession or operation of the person’s business. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Except as specifically provided by law, nothing in this subsection abrogates the provisions of chapter 9.96A RCW. However, RCW 9.96A.020 does not apply to a person who is required to register as a sex offender under RCW 9A.44.130;

(14) Interference with an investigation or disciplinary action by willful misrepresentation of facts before the disciplinary authority or its authorized representatives, or by the use of threats or harassment against any consumer or witness to discourage them from providing evidence in a disciplinary action or any other legal action, or by the use of financial inducements to any consumer or witness to prevent or attempt to prevent him or her from providing evidence in a disciplinary action; and

(15) Engaging in unlicensed practice as defined in RCW 18.235.010. [2007 c 256 § 19; 2002 c 86 § 114.]

18.235.140  **Final order issued under RCW 18.235.130—Failure to comply.** If a person or business regulated by this chapter violates or fails to comply with a final
order issued under RCW 18.235.130, the attorney general, any prosecuting attorney, the director, the board or commission, or any other person may maintain an action in the name of the state of Washington to enjoin the person from violating the order or failing to comply with the order. The injunction does not relieve the offender from criminal prosecution, but the remedy by injunction is in addition to the liability of the offender to criminal prosecution and disciplinary action. [2002 c 86 § 115.]

18.235.150 Investigation of complaint—Cease and desist order/notice of intent to issue—Final determination—Fine—Temporary cease and desist order—Action/who may maintain—Remedies not limited. (1) The disciplinary authority may investigate complaints concerning practice by unlicensed persons of a profession or business for which a license is required by the chapters specified in RCW 18.235.020. In the investigation of the complaints, the director has the same authority as provided the disciplinary authority under RCW 18.235.030.

(2) The disciplinary authority may issue a notice of intent to issue a cease and desist order to any person whom the disciplinary authority has reason to believe is engaged or is about to engage in the unlicensed practice of a profession or operation of a business for which a license is required by the chapters specified in RCW 18.235.020.

(3) The disciplinary authority may issue a notice of intent to issue a cease and desist order to any person whom the disciplinary authority has reason to believe is engaged or is about to engage in an act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters.

(4) The person to whom such a notice is issued may request an adjudicative proceeding to contest the allegations. The notice shall include a brief, plain statement of the alleged unlicensed activities, act, or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters. The request for hearing must be filed within twenty days after service of the notice of intent to issue a cease and desist order. The failure to request a hearing constitutes a default, whereupon the disciplinary authority may enter a permanent cease and desist order, which may include a civil fine. All proceedings shall be conducted in accordance with chapter 34.05 RCW.

(5) If the disciplinary authority makes a final determination that a person has engaged or is engaging in unlicensed practice or other act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters if the disciplinary authority makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. A temporary cease and desist order shall remain in effect until further order of the disciplinary authority. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the disciplinary authority may enter a permanent cease and desist order, which may include a civil fine.

(6) The disciplinary authority may issue a temporary cease and desist order if a person is engaged or is about to engage in unlicensed practice or other act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters if the disciplinary authority makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. A temporary cease and desist order shall remain in effect until further order of the disciplinary authority. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the disciplinary authority may enter a permanent cease and desist order, which may include a civil fine.

(7) The cease and desist order is conclusive proof of unlicensed practice or other act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters and may be enforced under RCW 7.21.060. This method of enforcement of the cease and desist order or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(8) The attorney general, a county prosecuting attorney, the director, a board or commission, or any person may, in accordance with the laws of this state governing injunctions, maintain an action in the name of the state of Washington to enjoin any person practicing a profession or business without a license for which a license is required by the chapters specified in RCW 18.235.020. All fees, fines, forfeitures, and penalties collected or assessed by a court because of a violation of this section shall be deposited in the related program account.

(9) The civil remedies in this section do not limit the ability to pursue criminal prosecution as authorized in any of the acts specified in RCW 18.235.020 nor do the civil remedies limit any criminal sanctions. [2007 c 256 § 20; 2002 c 86 § 116.]

18.235.160 Violation of injunction—Contempt of court—Civil penalty. A person or business that violates an injunction issued under this chapter may be found in contempt of court under RCW 7.21.010. Further, the court may, in addition to the remedial sanctions available under RCW 7.21.030, order the person or business to pay a civil penalty to the state in an amount not to exceed twenty-five thousand dollars, which shall be deposited in the related program account. For the purposes of this section, the superior court issuing any injunction retains jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties. [2002 c 86 § 117.]

18.235.170 Misrepresentation—Gross misdemeanor. A person who attempts to obtain, obtains, or attempts to maintain a license by willful misrepresentation or fraudulent representation is guilty of a gross misdemeanor. [2002 c 86 § 118.]
18.235.180 Crime or violation by license holder—
Disciplinary authority may give notification. If the disci- 
plinary authority has reason to believe that a license holder 
has committed a crime, or violated the laws of another regu- 
latory body, the disciplinary authority may notify the attorney 
general or the county prosecuting attorney in the county in 
which the act took place, or other responsible official of the 
facts known to the disciplinary authority. [2002 c 86 § 119.]

18.235.190 Immunity from suit. The director, mem-
bers of the boards or commissions, or individuals acting on 
their behalf are immune from suit in any action, civil or crim- 
inal, based on any disciplinary actions or other official acts 
performed in the course of their duties. [2002 c 86 § 120.]

18.235.200 Use of records—Exchange of informa-
tion—Chapter does not affect or limit. This chapter does 
not affect the use of records, obtained from the director or the 
disciplinary authorities, in any existing investigation or 
action by any public agency. Nor does this chapter limit any 
existing exchange of information between the director or the 
disciplinary authorities and other public agencies. [2002 c 86 
§ 121.]

taken according to the provisions of law existing at the time 
of the occurrence in the same manner as if this chapter had 
not been enacted.

(3) Notwithstanding subsection (2) of this section, this 
chapter applies to applications for licensure made on or after
