

## Vessel Bond Exemption Certification

I hereby assert that \_\_\_\_\_  
NAME OF VESSEL DEALERSHIP

operating as a vessel dealer in the State of Washington sells fifteen (15) or fewer vessels per year having a retail value of not more than two thousand (\$2,000) dollars each and is therefore exempt from the bonding requirements of RCW 88.02.060(1).

I also understand that to maintain this exemption the vessel dealership shall record, on forms prescribed by the Department of Licensing, the number of vessels sold and the highest retail value of any vessel sold in the registration year.
