

Transportation Benefit District Eligibility Report

Assumptions:

- Data represents vehicles with valid registration as of October 31, 2008 as they were represented in the vehicle database.
- Data includes only active records.
- Data includes only vehicles as specified in [ESHB 1858](#). See “[Eligible Vehicles](#)” for details.
- County is based on the Legal Resident County of the Registered Owner’s address.
- **City name does NOT indicate whether the physical location of that address is inside the city boundaries or not.** It is simply associated with which post office delivers mail to that address.
- Zip codes sometimes apply to more than one City name. In this event, the variable “Zip Covers Multiple City Names” will show “Yes.” Please see the United States Postal Service website for specific details (www.usps.com).
- City name and Zip code boundaries are sometimes shared between more than one County. In such situations the County variable will show "Multiple." Please see the United States Postal Service website for specific details (www.usps.com).
- Coding in the vehicle data base does not readily allow for distinction between a private-use trailer (TLR) and one used for business. Included in the data are all "TRL" trailers under 2,000 lbs with valid registration as of October 31, 2008, regardless of private or business use.

Coding and first redaction of this report by Keri-Anne Jetzer/Sadeeq Simmons 6/15/07

Engrossed Substitute House Bill (ESHB) 1858 – Relating to the imposition of fees by transportation benefit districts.

- Amended state law: RCW [36.73.050](#), [36.73.065](#), [36.73.120](#) and [82.80.140](#).
- The changes, in part, allow transportation benefit districts (TBDs) that fully encompass a city or county to impose up to \$20.00 in vehicle license fees without voter approval, if the fees are approved by a majority of the TBD Board.
- The annual vehicle fee is due for each vehicle subject to license tab fees under RCW [46.16.0621](#) and for each vehicle subject to gross weight fees under RCW [46.16.070](#) with an unladen (scale) weight of 6,000 pounds or less.
- Vehicles registered with a Disabled American Veteran exemption would be exempt from the tax.
- The annual vehicle licensing fee applies only when renewing a vehicle registration, and is effective upon the registration renewal date as provided by the Department of Licensing.

Exempt vehicles

The following vehicles are specifically exempted from the vehicle licensing fee:

- Farm tractors or farm vehicles as defined in RCW [46.04.180](#) and [46.04.181](#);
- Off-road and nonhighway vehicles as defined in RCW [46.09.020](#);
- Vehicles registered under chapter [46.87](#) RCW and the international registration plan; and
- Snowmobiles as defined in RCW [46.10.010](#).
