From the **Taxpayer Access Point** home screen an existing customer can log into their TAP account.

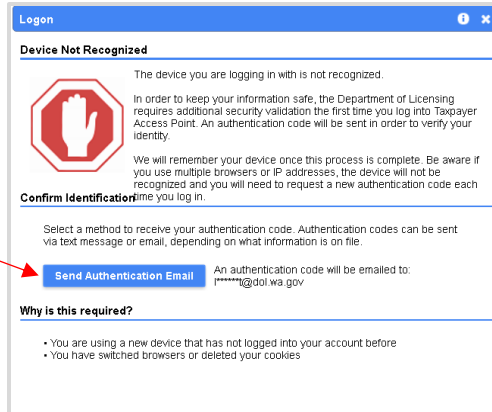

***Note:** New customers will need to set up their TAP account access before logging in. You can also add another user to your existing TAP account. For more information on both of these options please return to the [TAP instruction](#) page.*

Enter your **Username**, previously created.

Enter your **Password**, previously created.

***Note:** TAP has a two factor authentication, this means you need both a password you create and an authentication code that is sent to you in order to access your account. The **Authentication Code** will be sent to you via the **Authentication contact information** method you selected when setting up your TAP access. For example, if you selected email you will receive it via email. The authentication code is only valid for one time use, you will be sent a different code each time.*

To retrieve your **Authentication Code**, leave the **Authentication Code** blank and click **Login**.

Click on the **Send Authentication Email** button.

Enter the **Authentication Code** you received.

Click on **Login**.
