

Washington Administrative Code Notice of Permanent Rules for Requirements for checks in payment of licenses, certificates, etc.—Penalty.

Adoption of: WAC 308-04-010 – Requirements for checks in payment of licenses, certificates, etc.—Penalty.

Effective date: These rule changes will become effective 31 days after filing (approximately February 3, 2017).

What are the agency's reasons for adopting this rule:

This adopted change will align the rule to the statute (RCW 46.01.230) regarding the cancelation of the license or other transaction due to a dishonored check submitted for payment. Specifically, this change states the agency shall cancel a registration, license, or permit and may cancel any other transaction for which dishonored checks are submitted. The agency will also extend the time period for submitting payment after a dishonored check is received from fifteen days to sixty days to allow for adequate time due to USPS closures.
