Purpose: The Federal Motor Carrier Safety Administration (FMCSA) has delayed the implementation of the Training Provider Registry established under 49 C.F.R. 380.700 and requirements for approving CDL applicants skills and training by FMCSA registered Training Providers set forth in the same rule. Therefore, the Department must update its rule to reflect the federal implementation date which has moved from February 7, 2020 to February 7, 2022. This will extend the deadline for requiring CDL training providers to register with FMCSA and the requirement of CDL applicants to have their skills and training provided by a FMCSA registered training provider.
