**Washington Administrative Code
Notice of Permanent Rules for
Driver and Vehicle Investigations – Fraud Suspension Rules**

Adoption of: Amended: WAC 308-104-075 Driver's licenses – Prohibited practices – Suspension, cancellation, or denial period.

Effective date: These rule changes will become effective 31 days after filing or on January 28, 2021.

What are the agency's reasons for adopting this rule?

The amendment will update the Department's policy on suspension periods related to fraud. The amendment will allow for discretion as it relates to suspension periods, from a zero day suspension to 364 days, depending on the type of identity fraud, type of credential involved, driver status of the individual committing fraud, etc. This change will support an internal process already being used by Driver and Vehicle Investigators.
