Agency: Department of Licensing

Subject of possible rule making: WAC 308-96A-545 Gold Star license plate.

Statutes authorizing the agency to adopt rules on this subject: RCW 46.01.110, RCW 46.18.020

Reasons why rules on this subject may be needed and what they might accomplish: SB 5085 (2015) and SHB 1197 (2019) expanded the qualified applicants for a Gold Star license plate to include siblings and modified what licensing fees are paid by the qualified applicants, based on the applicant's relationship. This amendment updates agency rules to reflect these changes in the law.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: The Department will coordinate with the Department of Veteran Affairs (DVA) on any changes to this rule.

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe) Internal review and stakeholder input.

Interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication by contacting:
