

Washington Administrative Code Notice of Permanent Rules for Wrestling

Adoption of: Chapter 36-13 WAC Wrestling

Effective date: These rule changes will become effective on November 21, 2017.

What are the agency's reasons for adopting this rule:

Substitute House Bill 1420, an act relating to theatrical wrestling, was passed during the 2017 legislative session requiring the department to establish rules. These rules establish sufficient licensing requirements, fees, and standards of practice for the new theatrical wrestling school license.

Summary of all public comments received on this rule proposal and the agency's response to those comments:

Jason Stratton spoke in support of the proposed rules after working directly with the Department of Licensing to help draft them. He stated we may need to review the rules and law at a later time. The department will review the Washington Administrative Codes on an ongoing basis as needed.

Changes made to the proposed WAC as a result of public comment:

There are no differences between the text of the proposed rule as published in the register and the text of the rules as adopted.

The Administrative Procedure Act (RCW 34.05.325(6)) requires agencies to complete a concise explanatory statement before filing adopted rules with the Office of the Code Reviser. This statement must be provided to anyone who gave comment about the proposed rulemaking.

The Department of Licensing appreciates your involvement in this rulemaking process. If you have any questions, please contact Damon Monroe, Agency Rules Coordinator, at 360-902-3843 or email dmonroe@dol.wa.gov.
