Kim Hall (DOL)

OK, back to You Deb.

00:01:46.020 --> 00:02:03.750

Deb (Guest)

Alright so the first order is of business is to approve the order of a of the agenda do, I have? Yeah, that agenda has sent been sent out to everyone for reviews, so do? I have any comments or motion for approval.

00:02:09.040 --> 00:02:10.010

Sharon (Guest)

I move to approve.

00:02:11.840 --> 00:02:12.290

Daren Crabill

Second.

00:02:13.940 --> 00:02:17.140

Deb (Guest)

Alright all in favor approval aye.

00:02:17.140 --> 00:02:17.590

Len Zickler (Guest)

Alright.

00:02:22.770 --> 00:02:23.760

Deb (Guest)

I only hear 2.

00:02:24.280 --> 00:02:26.530

Sharon (Guest)

Sorry I hadn't gotten unmuted I.

00:02:27.560 --> 00:02:27.920

Curtis LaPierre

Aye.

00:02:28.720 --> 00:02:33.020

Deb (Guest)

Thank you so the order of the agenda is approved, and the next.

00:02:33.620 --> 00:02:48.060

Deb (Guest)

Umm order of business is the approval of the minutes from the last meeting. You've had an opportunity to review the minutes from the last meeting are there any changes or do I have a motion for approval?

00:02:51.750 --> 00:02:53.960

Daren Crabill

This is Darren Nice I'll move to approve.

00:02:55.280 --> 00:02:56.870

Len Zickler (Guest)

I'll second Glenn.

00:02:57.630 --> 00:02:59.040

Deb (Guest)

OK, all in favor.

00:03:00.300 --> 00:03:00.700

Deb (Guest)

Aye.

00:03:01.010 --> 00:03:01.640

Curtis LaPierre

Aye.

00:03:01.780 --> 00:03:02.080

Daren Crabill

Right.

00:03:02.390 --> 00:03:02.770

Sharon (Guest)

Aye.

00:03:03.480 --> 00:03:15.070

Deb (Guest)

OK, so the minutes are approved do the next order of business is the review of communications. We have the proclamation for.

00:03:16.930 --> 00:03:24.350

Deb (Guest)

That's from the state of Washington by Wasla to call this landscape architecture month.

00:03:26.500 --> 00:03:39.500

Deb (Guest)

I just wanted to point that out, as it's a It's an order of pride for us as landscape architects that we are being acknowledged by the state of Washington as a profession so this is great.

00:03:40.950 --> 00:03:42.100

Deb (Guest)

Any other comments on that.

00:03:43.020 --> 00:03:49.350

Curtis LaPierre

This is Curtis I notice it's it is just for this year. I guess a governor Inslee can't.

00:03:50.130 --> 00:03:53.010

Curtis LaPierre

Make it landscape architecture month in perpetuity.

00:03:54.070 --> 00:03:55.730

Curtis LaPierre

So it's limited to this year.

00:03:56.520 --> 00:04:06.450

Deb (Guest)

However, we have been able to get this proclamation. Several years in a row now as I recall and I feel grateful that we can do that.

00:04:08.140 --> 00:04:10.410

Deb (Guest)

Umm do we have any other communications Julia?

00:04:12.160 --> 00:04:12.980

Manley, Julia (DOL)

Not at this time.

00:04:13.660 --> 00:04:13.920

Manley, Julia (DOL)

Good.

00:04:14.570 --> 00:04:21.810

Deb (Guest)

Alright so the next order of work is board elections.

00:04:22.540 --> 00:04:24.340

Deb (Guest)

Let's go to page 10.

00:04:25.280 --> 00:04:25.810

Deb (Guest)

Umm.

00:04:27.250 --> 00:04:32.800

Deb (Guest)

So we need to elect a chairperson for this year.

00:04:44.950 --> 00:04:53.740

Deb (Guest)

However, I I would like Sharon to speak to this, if you if you want to take this on as a take take on the chair position.

00:04:54.910 --> 00:05:19.030

Sharon (Guest)

I do not at this time, I feel like it would require a lot of hand holding from the board and the attendance at some of the meetings. I would possibly not be able to make. I'm in chemotherapy have a surgery and more chemo scheduled and I think that that just throws way too much of a curveball for something that's much too important to let anything drop so I am not going to make myself available for this year.

00:05:19.610 --> 00:05:20.220

Deb (Guest)

OK.

00:05:21.390 --> 00:05:22.500

Deb (Guest)

UM and

00:05:23.200 --> 00:05:31.320

Deb (Guest)

I am willing and able to continue serving as chair for another year or if the rest of the board members would prefer to move the.

00:05:32.180 --> 00:05:35.930

Deb (Guest)

Rotation along to another person, I would like some commentary on that.

00:05:45.540 --> 00:05:46.350

Deb (Guest)

So does.

00:05:45.630 --> 00:05:47.460

Daren Crabill

Sounds great thank you. Deb.

00:05:47.510 --> 00:05:51.860

Deb (Guest)

OK, so do you prefer that I carry on doing this?

00:05:53.060 --> 00:05:53.720

Deb (Guest)

Board members.

00:05:55.080 --> 00:05:58.330

Daren Crabill

I I would be grateful for you to do that I don't.

00:06:00.110 --> 00:06:01.080

Daren Crabill

And then I guess.

00:06:03.550 --> 00:06:08.100

Daren Crabill

Is Curtis the next one up for vice chair?

00:06:06.670 --> 00:06:10.060

Deb (Guest)

Curtis would be the next step. He could be vice chair for this year.

00:06:10.850 --> 00:06:16.100

Deb (Guest)

Since Curtis knew this gives him an opportunity to kind of watch and become more familiar.

00:06:17.180 --> 00:06:20.510

Daren Crabill

It's a lot of the heavy lifting Curtis as you. You you probably figured out.

00:06:21.690 --> 00:06:25.500

Deb (Guest)

It's not terribly heavy lifting, however, but you know it's depends.

00:06:24.530 --> 00:06:25.710

Len Zickler (Guest)

It can be though.

00:06:26.220 --> 00:06:26.890

Deb (Guest)

I'm sorry what?

00:06:27.300 --> 00:06:28.320

Len Zickler (Guest)

It can be.

00:06:29.690 --> 00:06:30.380

Deb (Guest)

It could be.

00:06:30.940 --> 00:06:36.470

Len Zickler (Guest)

Yeah, no, I'm I'm OK with what's uh? What's what's suggested here.

00:06:36.850 --> 00:06:39.800

Deb (Guest)  
OK, so I I will.

00:06:40.740 --> 00:06:41.470

Daren Crabill  
This needs to be.

00:06:41.940 --> 00:06:42.370

Deb (Guest)  
Yes.

00:06:42.450 --> 00:07:02.090

Sharon (Guest)  
It's it's been quite the year with lots of changes and everything else. And so for me, having you continue for another year with all of that in your brain as going through it seems like we would have the continuity that we need, and that would allow Curtis to carry on successfully the year after that's my take.

00:07:02.540 --> 00:07:02.980

Deb (Guest)  
OK.

00:07:04.690 --> 00:07:05.420

Deb (Guest)  
So.

00:07:04.930 --> 00:07:08.370

Curtis LaPierre  
I definitely second this is Curtis I definitely second that.

00:07:08.930 --> 00:07:09.500

Deb (Guest)  
OK.

00:07:09.900 --> 00:07:10.190

Curtis LaPierre  
Yeah.

00:07:10.740 --> 00:07:17.670

Deb (Guest)  
So I guess we have to take a vote on this So what I'm I would like a motion to.

00:07:14.020 --> 00:07:14.340

Manley, Julia (DOL)  
We.

00:07:16.050 --> 00:07:16.540

Daren Crabill

Put on.

00:07:16.310 --> 00:07:16.720

Manley, Julia (DOL)

7.

00:07:16.610 --> 00:07:18.000

Kim Hall (DOL)

And the secretary position.

00:07:18.500 --> 00:07:19.450

Manley, Julia (DOL)

I'm gonna I'm gonna.

00:07:18.660 --> 00:07:25.440

Deb (Guest)

A motion to approve me as the chair and Curtis as the vice chair for the.

00:07:25.070 --> 00:07:27.850

Manley, Julia (DOL)

There, but I'm gonna I'm gonna interrupt for just a second.

00:07:26.660 --> 00:07:26.950

Daren Crabill

That.

00:07:27.330 --> 00:07:27.570

Deb (Guest)

Yes.

00:07:28.690 --> 00:07:39.220

Manley, Julia (DOL)

Umm we need to choose a secretary as well. So if you wanted to kind of pick. The full slate and then we can do a a motion for approving that full slate.

00:07:41.260 --> 00:07:45.790

Deb (Guest)

Why don't we suggest that we don't need a vice chair? Do we

00:07:46.630 --> 00:07:47.800

Deb (Guest)

if we have a secretary?

00:07:48.450 --> 00:07:49.040

Daren Crabill

Yes, we do.

00:07:48.470 --> 00:07:54.700

Manley, Julia (DOL)

And we we need all 3 with that's the RCW requires chair vice chair and secretary.

00:07:51.040 --> 00:07:51.640

Deb (Guest)

OK.

00:07:54.920 --> 00:07:58.850

Deb (Guest)

OK, so Len or UM.

00:07:59.760 --> 00:08:00.360

Deb (Guest)

Darren.

00:08:01.250 --> 00:08:02.010

Deb (Guest)

Secretary.

00:08:03.570 --> 00:08:04.090

Daren Crabill

Sure.

00:08:05.190 --> 00:08:05.960

Deb (Guest)

Alright.

00:08:05.860 --> 00:08:07.090

Len Zickler (Guest)

That a boy.

00:08:08.550 --> 00:08:13.220

Deb (Guest)

So the slate would be me as chair, Curtis as vice chair and.

00:08:14.710 --> 00:08:16.440

Deb (Guest)

Darren as secretary.

00:08:17.600 --> 00:08:19.040

Deb (Guest)

Do I have a motion for that.

00:08:20.470 --> 00:08:21.940

Len Zickler (Guest)

I so move this is Lynn.

00:08:22.520 --> 00:08:23.770

Sharon (Guest)

This is Sharon I second.

00:08:24.490 --> 00:08:25.760

Deb (Guest)

All right all in favor.

00:08:26.340 --> 00:08:26.800

Sharon (Guest)

Aye.

00:08:26.500 --> 00:08:27.190

Deb (Guest)

Aye.

00:08:26.630 --> 00:08:27.200

Daren Crabill

Yay.

00:08:27.180 --> 00:08:27.480

Curtis LaPierre

Aye.

00:08:28.020 --> 00:08:28.970

Deb (Guest)

OK done.

00:08:31.690 --> 00:08:32.940

Deb (Guest)

Let's see.

00:08:34.180 --> 00:08:54.320

Deb (Guest)

So we have, we attended the next order of businesses in the clarity uniform standards vote and I attended the meeting yesterday as did Julia and the vote came out to approve let me get my notes here to approve the.

00:08:56.280 --> 00:08:56.920

Deb (Guest)

Uh.

00:08:58.570 --> 00:08:59.160

Deb (Guest)

First.

00:09:00.350 --> 00:09:01.840

Deb (Guest)

Amendment by Minnesota.

00:09:04.130 --> 00:09:07.470

Deb (Guest)

And to disapprove ohh shoot. I don't have my.

00:09:08.520 --> 00:09:09.830

Deb (Guest)

Excuse me for one second.

00:09:14.740 --> 00:09:17.050

Len Zickler (Guest)

They must have disabled well go ahead.

00:09:19.960 --> 00:09:20.640

Deb (Guest)

I wrote it down.

00:09:22.000 --> 00:09:23.310

Deb (Guest)

I wanna make sure I get it right.

00:09:25.440 --> 00:09:48.110

Deb (Guest)

So amendment one was approved amendment 2 by Minnesota was not approved the the update to the standards. The uniform standards was approved and then the California Amendment was not approved the the update to the language to remove.

00:09:49.960 --> 00:09:53.370

Deb (Guest)

Any biased language was also approved.

00:09:55.290 --> 00:09:56.780

Deb (Guest)

Does that make sense to everyone?

00:09:59.410 --> 00:10:00.640

Curtis LaPierre

This is Curtis could you?

00:10:01.820 --> 00:10:07.500

Curtis LaPierre

I'm familiar with the California one, but could you please remind us? What the Minnesota one was about.

00:10:08.520 --> 00:10:09.560

Deb (Guest)

OK.

00:10:10.100 --> 00:10:10.680

Curtis LaPierre

Or 2.

00:10:11.010 --> 00:10:15.950

Deb (Guest)

Julia do you have that right at your fingertips? I have to look it up if I have to pull those up?

00:10:15.900 --> 00:10:23.200

Manley, Julia (DOL)

Give me just one second, I've got him here, so amendment, one to resolution one.

00:10:24.400 --> 00:10:28.730

Manley, Julia (DOL)

Was excuse me that passed was adding?

00:10:29.610 --> 00:10:42.380

Manley, Julia (DOL)

Under reciprocity and language that States and other requirements as established by the board, so that was the First Amendment that passed and then the Second Amendment that failed.

00:10:43.040 --> 00:10:43.580

Manley, Julia (DOL)

Umm.

00:10:44.710 --> 00:10:54.980

Manley, Julia (DOL)

Am I getting that right, yeah, pass them fail, OK, the second that failed was adding back into the language under.

00:10:46.030 --> 00:10:47.010

Deb (Guest)

Yes, that's correct.

00:10:55.750 --> 00:11:07.890

Manley, Julia (DOL)

Umm alternate education a degree accredited by the national architectural accrediting board or the accreditation board for engineering and technology or their international equivalents.

00:11:08.750 --> 00:11:09.960

Manley, Julia (DOL)

So that one did fail.

00:11:10.920 --> 00:11:11.840

Manley, Julia (DOL)

And what's not added.

00:11:11.430 --> 00:11:18.720

Deb (Guest)

And then and the California Amendment was related to not being able to disapprove.

00:11:19.800 --> 00:11:22.310

Deb (Guest)

Based on more good moral character.

00:11:26.540 --> 00:11:31.130

Deb (Guest)

So, but but the updated language was merely making it gender neutral and.

00:11:32.800 --> 00:11:33.730

Deb (Guest)

Less biased.

00:11:35.680 --> 00:11:37.250

Deb (Guest)

So does that make sense to everyone.

00:11:39.510 --> 00:11:49.620

Deb (Guest)

So we have uniform standards approved by carb and our RCW will know our rules relate to those standards.

00:11:39.590 --> 00:11:39.890

Curtis LaPierre

Yes.

00:11:50.440 --> 00:11:59.190

Deb (Guest)

So UM that's something that we will need to discuss at some point in time because our standards are not the same as the uniform standards.

00:12:00.230 --> 00:12:01.290

Deb (Guest)

A current standards.

00:12:01.850 --> 00:12:11.540

Manley, Julia (DOL)

Right and we currently have Darren and Len on a Rules Committee so that's something that they can look at and then bring suggestions back to the board.

00:12:11.960 --> 00:12:12.200

Deb (Guest)

Out.

00:12:12.280 --> 00:12:14.070

Deb (Guest)

Standing perfect.

00:12:16.060 --> 00:12:19.870

Deb (Guest)

So is there any further discussion about the uniform standards vote?

00:12:24.380 --> 00:12:29.040

Deb (Guest)

Hearing none we will move on to the review of master action items Kim.

00:12:32.200 --> 00:12:40.930

Kim Hall (DOL)

Uh yes and real quick, either Julia or Deborah could you send me that information so I can accurately capture that in a minute as well?

00:12:42.420 --> 00:12:43.490

Kim Hall (DOL)

So for the

00:12:42.490 --> 00:12:43.220

Manley, Julia (DOL)

Yes, I.

00:12:45.160 --> 00:12:46.060

Manley, Julia (DOL)

I'll send that to you.

00:12:46.680 --> 00:12:51.770

Kim Hall (DOL)

OK. Thank you so for the action item list, we have.

00:12:51.890 --> 00:12:59.240

Kim Hall (DOL)

And Love it, so in progress so Miss Peterson as housing or when are working on the board charter and then?

00:13:00.150 --> 00:13:09.900

Kim Hall (DOL)

As Julia just mentioned we're doing the review of the UX and the language so that hopefully what just took place will help with that.

00:13:10.730 --> 00:13:13.210

Kim Hall (DOL)

And then the voting model language.

00:13:15.680 --> 00:13:19.830

Kim Hall (DOL)

I guess that's still in progress or almost completed and then.

00:13:19.420 --> 00:13:20.270

Deb (Guest)

That's completed.

00:13:21.070 --> 00:13:28.660

Kim Hall (DOL)

Yeah, so that can be updated as of today, and then sending the voting in for club so that's done.

00:13:30.650 --> 00:13:31.100

Deb (Guest)

OK.

00:13:33.580 --> 00:13:34.130

Deb (Guest)

Alright then.

00:13:35.370 --> 00:13:39.300

Deb (Guest)

So do we have any complaint cases for review?

00:13:42.050 --> 00:13:44.000

Deb (Guest)

No nothing 's coming recently.

00:13:43.040 --> 00:13:43.350

Manley, Julia (DOL)

And.

00:13:44.520 --> 00:13:45.280

Manley, Julia (DOL)

Correct none.

00:13:45.700 --> 00:13:46.110

Deb (Guest)

OK.

00:13:47.040 --> 00:13:51.340

Deb (Guest)

And it look it appears we have no cases for deliberation as well.

00:13:52.070 --> 00:13:52.370

Manley, Julia (DOL)

Correct.

00:13:52.470 --> 00:13:53.740

Deb (Guest)

It's OK.

00:13:55.110 --> 00:13:55.720

Deb (Guest)

Uh.

00:13:56.740 --> 00:14:01.340

Deb (Guest)

Dude, are there any disciplinary investigation reports?

00:14:06.260 --> 00:14:06.490

Manley, Julia (DOL)

Yes.

00:14:11.090 --> 00:14:17.900

Deb (Guest)

OK, it appears that we have one closed investigation, one investigation underway.

00:14:19.350 --> 00:14:20.560

Deb (Guest)

Ohh No 9 underway.

00:14:21.780 --> 00:14:25.260

Deb (Guest)

Wait, one underway, I'm sorry your screen is very small for me.

00:14:26.720 --> 00:14:30.660

Deb (Guest)

One one investigation underway and 8 closed.

00:14:34.100 --> 00:14:35.760

Deb (Guest)

And Curtis has one closed.

00:14:36.690 --> 00:14:37.150

Manley, Julia (DOL)

Yes.

00:14:37.520 --> 00:14:41.790

Deb (Guest)

OK, great, yeah that's very, very small for me to look at.

00:14:43.620 --> 00:14:47.230

Deb (Guest)

Uh we have no attorney general 's report.

00:14:48.090 --> 00:14:48.630

Manley, Julia (DOL)

Correct.

00:14:50.560 --> 00:14:52.600

Deb (Guest)

Task force reports.

00:14:54.590 --> 00:14:56.590

Manley, Julia (DOL)

So I know it says.

00:14:57.290 --> 00:15:00.510

Deb (Guest)

We it says mission statement, but we already took care of that last time.

00:15:00.340 --> 00:15:06.490

Manley, Julia (DOL)

Yeah, yeah that one 's been completed does did you have any updates on the?

00:15:08.300 --> 00:15:12.170

Deb (Guest)

To a charter needs Sharon and I need to get on that.

00:15:09.130 --> 00:15:10.360

Manley, Julia (DOL)

The charter yeah.

00:15:12.670 --> 00:15:13.020

Manley, Julia (DOL)

OK.

00:15:20.350 --> 00:15:21.750

Deb (Guest)

Sorry I'm making a note.

00:15:25.310 --> 00:15:33.170

Deb (Guest)

OK, so any other task force reports any progress made on the rules review or any other.

00:15:33.940 --> 00:15:34.570

Deb (Guest)

Committees.

00:15:35.660 --> 00:15:37.400

Daren Crabill

We were We were waiting for.

00:15:38.510 --> 00:15:46.040

Daren Crabill

For B to finish their work before we start to look at that and then incorporate and provide suggestions.

00:15:43.950 --> 00:15:44.630

Deb (Guest)

Makes sense.

00:15:46.420 --> 00:15:47.560

Deb (Guest)

Thank you makes sense.

00:15:49.720 --> 00:15:54.670

Deb (Guest)

OK, Julie it's time for the staff board staff report.

00:15:55.420 --> 00:16:02.180

Manley, Julia (DOL)

OK, so program operations things are going well, most staff are settled into their.

00:16:09.890 --> 00:16:41.100

Manley, Julia (DOL)

Specifically, the the licensing team has settling in well and they've actually been able to support some other other areas with some helpful. Tips and tricks for the licensing system because they've been using it longer than some of the other groups, so that's been great for them. They also have a new manager. I'm going to bring her in to the July meeting. She's actually attending the architect board meeting today and they also have a recruitment just opened yesterday for a new frontline supervisor so that'll be good for them to have a little bit more.

00:16:41.270 --> 00:16:43.270

Manley, Julia (DOL)

Umm direct support.

00:16:44.890 --> 00:16:52.980

Manley, Julia (DOL)

For the department as you know what our last meeting, the system. The licensing system was down. It went down on January 24th.

00:16:53.820 --> 00:17:07.620

Manley, Julia (DOL)

We discovered that there had been suspicious activity in that system. We immediately began to investigate with the help of other state agencies and a national security cyber security group.

00:17:09.560 --> 00:17:22.310

Manley, Julia (DOL)

We were able to determine and issued communication on February 11th that it had been a data breach and we were able to come up with a manual workaround for people to renew their licenses or to.

00:17:23.820 --> 00:17:25.910

Manley, Julia (DOL)

Indicates that they were planning on renewing.

00:17:28.020 --> 00:17:29.450

Manley, Julia (DOL)

While the system was down.

00:17:31.150 --> 00:17:43.340

Manley, Julia (DOL)

They were able to bring the system back up on March first and there were some limitations, but customers were able to begin applying and renewing their licenses again through the customer portal it increased the.

00:17:44.820 --> 00:18:12.610

Manley, Julia (DOL)

The speed with which staff could do the manual process. We've been able to do the manual process in the back office side of it, but it was very clunky and took a long time. One application was taking like 15 to 20 minutes to process compared to our normal 3 to 5. So it was a bit clunky. But the portal is back up and since then. We've been able to make the public search available again so.

00:18:14.170 --> 00:18:20.580

Manley, Julia (DOL)

That's kind of in the past, but it really highlighted the benefits of the functional alignment for us.

00:18:21.710 --> 00:18:34.720

Manley, Julia (DOL)

Because all of the licensing teams are under one group. Now we were able to quickly come up with a plan formulate consistent communication manage our resources and support for the staff.

00:18:35.410 --> 00:18:45.020

Manley, Julia (DOL)

We are able to you know pull in staff from other areas to help answer phones and emails because those you know, obviously the system being down drilled those up exponentially.

00:18:46.740 --> 00:18:50.830

Manley, Julia (DOL)

And so we were able to do this without everyone trying to do it on their own and.

00:18:52.660 --> 00:19:03.390

Manley, Julia (DOL)

Not knowing you know exactly what they may need or who to go for for resources. If it really you know highlighted the benefits that we've seen from the functional alignment.

00:19:04.640 --> 00:19:18.590

Manley, Julia (DOL)

And then last on this one. I want to introduce Bill Dutra and Kathy Negley did. I say I hope I said that right. Kathy they are leading the newly formed.

00:19:19.500 --> 00:19:23.310

Manley, Julia (DOL)

Ohh central investigations and audits unit did I get that right bill.

00:19:25.550 --> 00:19:29.320

Dutra, Bill (DOL)

Really close it's a centralized investigations and audience unit.

00:19:31.170 --> 00:20:04.480

Dutra, Bill (DOL)

So good morning, my name is Bill Dutra and the assistant administrator. I worked with Administrator Kathy and ugly as part of our functional alignment. We have placed all of our different lines of business within like type programs. So we currently oversee all of the investigations audits and complain intake for 39 different professions within the Department of licensing. The one thing. I want to make sure that it's really clear to the landscape architect Board is that the subject. Matter experts that you are used to working with and have been working with in the past does not change.

00:20:04.920 --> 00:20:31.320

Dutra, Bill (DOL)

A lot of things do not change for them other than there is a lot of there's quite a bit more support for them and in their duties. There's an entire team of investigators that are there to support them work with them look at some of these more difficult or complex situations and to make sure that there's no stumbling blocks for them. Cathy Nagler and I. We recognize and understand and respect the board 's authorities.

00:20:32.640 --> 00:21:03.730

Dutra, Bill (DOL)

I've been with this vision for 29 years, so many years ago, a lot of this is similar to because I did some work with plantscape architect boards and the architect boards and some of the others. So we do understand and respect your authority and decision making that's here. Our job is to help support you. We have a very large team to support you and we are also there to support our other lines of business, especially our licensing teams and our compliance teams and the office of the attorney general if you have any questions, we would be more than happy to answer those a few things that are happening for us.

00:21:03.810 --> 00:21:34.020

Dutra, Bill (DOL)

Also, specifically that will help the team that specifically works with your board is that we currently have an open recruitment for an investigation supervisor that position has been vacant for many years or a couple of years now that team has indicated that it's a support that they need which I believe is also going to be a tremendous support to your board as well. There's also one. Other is a upper lower or higher level, manager that will be overseeing a lot of this work along with some other lines of business.

00:21:34.300 --> 00:21:54.570

Dutra, Bill (DOL)

And that in those individuals will be there to support the landscape architect board as well for questions concerns or issues that you see that as happening with the work product that we are producing for your

review other than that. Kathy Negley with us here today and I'm going to let her introduce herself as well.

00:21:56.840 --> 00:22:10.820

Naegeli, Catharine (DOL)

Hello thanks for allowing us to join you today. We're really excited to learn a lot for me and to be able to be able to support you in a manner in which you need to be supported like bill said.

00:22:11.910 --> 00:22:25.100

Naegeli, Catharine (DOL)

You know you shouldn't see a lot of change other than adding to the support for the people that are supporting you and the employees as well. So we look forward to seeing you and thank you for allowing us to join you today.

00:22:26.940 --> 00:22:38.100

Deb (Guest)

Well, on behalf of the board we welcome. You Bill and Kathy and thank you for coming aboard and helping us out and supporting us and thank you. Julia for that very.

00:22:39.770 --> 00:23:02.460

Deb (Guest)

Arduous process you've had to go through. I really appreciate that you had so much to do and you made it through successfully in getting that system back up and running and I apologize to you for having to head had to do that. But thank you for your extra efforts on behalf of the board of Landscape Architects.

00:23:04.900 --> 00:23:11.420

Deb (Guest)

The next line of business is other business so Julia do we have any other business.

00:23:13.410 --> 00:23:16.890

Manley, Julia (DOL)

None unless another board member has something they'd like to.

00:23:18.520 --> 00:23:19.990

Manley, Julia (DOL)

Took a you know talk about.

00:23:20.770 --> 00:23:21.190

Deb (Guest)

OK.

00:23:21.430 --> 00:23:30.160

Curtis LaPierre

This is Curtis Julia could you say something I did a couple of searches you know, kind of lookups this week and?

00:23:31.020 --> 00:23:41.750

Curtis LaPierre

I noticed now and lately actually there is sort of a second level of security almost like a trusted user could you share a little bit of information about that?

00:23:43.060 --> 00:24:13.230

Manley, Julia (DOL)

Yeah, so part of bringing the system back online and making sure that all of you know all of the little parts are secured as required us to make a small change to the public search. You now have to have a saw account which is the secure access Washington account. If you've ever renewed your vehicle tabs or your driver 's license online or if you have a business license and you've renewed that.

00:24:13.430 --> 00:24:16.220

Manley, Julia (DOL)

And the Department of revenues website you have a saw account.

00:24:17.260 --> 00:24:20.540

Manley, Julia (DOL)

It's just masked differently and it at different.

00:24:21.690 --> 00:24:43.270

Manley, Julia (DOL)

Agencies are different areas, so you have to have that to log in and then if you once you get on to the search. There is a recaptcha which is the you know how many street signs do you see thing so it's just an added layer of security to make sure that our customers information is safe?

00:24:46.000 --> 00:24:46.380

Deb (Guest)

Right.

00:24:50.290 --> 00:24:52.540

Deb (Guest)

Any other business from board members.

00:24:55.540 --> 00:25:25.910

Deb (Guest)

I did I would just like to report about where we are in the process of the for Clarab in the process of the LHC since Julie and I are both serving on the LC for carb. We are in the process of developing the slate of candidates and I just want to let you know about it. We have developed a slate of candidates that we are getting ready to interview Julie and I will Julia and I will both be in Washington DC.

00:25:26.130 --> 00:25:40.810

Deb (Guest)

Next week and we are looking forward to developing that slate of candidates. But the one thing I'd like to bring up to the rest of the group here is I would encourage you next year to consider.

00:25:41.650 --> 00:25:55.280

Deb (Guest)

Umm nominating yourself for one of these positions. It's really valuable to stay engaged with Clark and it's very valuable from a perspective of being a landscape architect and standing for licensure.

00:25:57.090 --> 00:25:58.740

Deb (Guest)

And I I just wanted to put that plug in.

00:26:00.370 --> 00:26:01.530

Deb (Guest)

Are there any?

00:26:02.380 --> 00:26:06.410

Deb (Guest)

Action item let's see Kim could you read us the action items from this meeting.

00:26:08.460 --> 00:26:13.960

Kim Hall (DOL)

I didn't really capture too many action items other than the committees.

00:26:14.910 --> 00:26:30.360

Kim Hall (DOL)

I'm getting updates from them and creating meetings to potentially for them and that goes for the agenda as well. The only thing I have for the next agenda would be potentially a report out from how you guys meeting goes next week.

00:26:20.990 --> 00:26:21.290

Deb (Guest)

OK.

00:26:24.050 --> 00:26:24.270

Deb (Guest)

OK.

00:26:31.030 --> 00:26:31.840

Kim Hall (DOL)

And then

00:26:32.040 --> 00:26:33.710

Kim Hall (DOL)

and the committees.

00:26:36.480 --> 00:26:38.200

Deb (Guest)

OK sounds good.

00:26:39.060 --> 00:26:39.660

Deb (Guest)

Umm.

00:26:40.530 --> 00:26:50.660

Deb (Guest)

Let's see moving on it is time for public comment presentations and just to recognize that people will be allowed 3 minutes.

00:26:51.330 --> 00:27:04.080

Deb (Guest)

Uh to make comments and we would encourage you to unmute yourself. When you're ready to speak. Please let Kim know that you would like to speak by raising your hand and.

00:27:06.540 --> 00:27:07.770

Deb (Guest)

So we can move forward with that.

00:27:08.770 --> 00:27:11.210

Deb (Guest)

Do we have it looks like we have a hand raised?

00:27:19.720 --> 00:27:20.600

Deb (Guest)

Mister leader.

00:27:21.080 --> 00:27:22.950

William Lider, PE (Guest)

Can you hear and see me alright?

00:27:23.200 --> 00:27:23.820

Deb (Guest)

Yes.

00:27:24.330 --> 00:27:39.040

William Lider, PE (Guest)

Alright I've got a 3 minute presentation. I'll I'll thank you for your time in advance to to hear me out at your January 22nd board meeting. I was told that if I submitted additional information that it would be considered in the.

00:27:39.780 --> 00:27:42.540

William Lider, PE (Guest)

Case that I had filed the complaint that I had filed.

00:27:43.480 --> 00:27:46.750

William Lider, PE (Guest)

Yet what I filed that information it was summarily ignored.

00:27:43.790 --> 00:27:46.670

Manley, Julia (DOL)

This Mister Lighter Mister lighter.

00:27:47.150 --> 00:27:52.140

Deb (Guest)

Mister lighter, we cannot we cannot discuss this case, the individual cases.

00:27:52.580 --> 00:27:55.840

William Lider, PE (Guest)

OK. Can I can I just say say one one thing here?

00:27:52.890 --> 00:27:53.630

Deb (Guest)

Just to be.

00:27:54.990 --> 00:27:55.340

Deb (Guest)

OK.

00:27:56.510 --> 00:28:01.110

William Lider, PE (Guest)

The the information that I submitted was not considered.

00:28:01.790 --> 00:28:08.260

William Lider, PE (Guest)

I I sent in an aerial photograph that documented the case that I had made.

00:28:09.120 --> 00:28:19.910

William Lider, PE (Guest)

And the other information that I did not have prior to your meeting was the case filed when I reviewed the case file I found out that.

00:28:19.320 --> 00:28:33.570

Manley, Julia (DOL)

Mister leader Mister Leiter you are still discussing a case that was closed. We can't discuss anything related to that case here. I'm happy to have I'm happy to have Mister Dutra?

00:28:28.550 --> 00:28:29.800

William Lider, PE (Guest)

Well, we'll review.

00:28:34.330 --> 00:28:42.810

Manley, Julia (DOL)

Call and speak with you outside of the board meeting, but we can't discuss any new evidence anything you've collected related to that.

00:28:40.760 --> 00:28:47.770

William Lider, PE (Guest)

OK, I I don't I don't want to discuss if I I want to discuss the fact that the information was withheld and not reviewed.

00:28:48.740 --> 00:29:20.930

William Lider, PE (Guest)

That I'm not going to get into the very specifics of the case and I would like to speak with Mister Mister Dutre. He can certainly contact me after afterwards, but what what's important? Is is that information was withheld and I didn't realize that until I received the case file. The 2 of the attachments that were in

the complaint were never addressed by Mister La Pierre and how do I know that the reason I know that is is that the dates were wrong that he referred to the inspection was on.

00:29:21.250 --> 00:29:23.690

William Lider, PE (Guest)

May 18th it was actually on May second.

00:29:24.160 --> 00:29:32.490

Manley, Julia (DOL)

Miss your you are discussing details of a case that was closed. You cannot do that. Mister lighter, I will have to mute your mic.

00:29:26.890 --> 00:29:29.200

William Lider, PE (Guest)

OK, but but but

00:29:33.790 --> 00:29:36.790

Manley, Julia (DOL)

If you continue to speak about a closed case.

00:29:37.600 --> 00:29:44.560

William Lider, PE (Guest)

OK is reviewing information something we can talk about that, if information is not reviewed.

00:29:44.380 --> 00:29:54.980

Manley, Julia (DOL)

You you can certainly reach out to our investigations unit about their process and how that works, but we can't discuss that here.

00:29:51.660 --> 00:30:05.770

William Lider, PE (Guest)

Yeah, I I I did that once before, and I was told that the board had broad discretion and I know this is distasteful for you as it is for me to have to talk about a professional that misrepresented on a report.

00:30:06.390 --> 00:30:13.360

William Lider, PE (Guest)

But when you don't review the information and you don't address the complaint that's a real problem.

00:30:14.290 --> 00:30:17.690

William Lider, PE (Guest)

And in this case here homes were built.

00:30:18.830 --> 00:30:24.860

William Lider, PE (Guest)

That shouldn't have been sold without having the landscaping and the wetland mitigation and first.

00:30:20.800 --> 00:30:21.030

Manley, Julia (DOL)

I.

00:30:25.510 --> 00:30:27.760

William Lider, PE (Guest)

So I will talk with Mister right.

00:30:28.720 --> 00:30:31.210

William Lider, PE (Guest)

Mister Dutra do you have my contact information?

00:30:35.380 --> 00:30:49.550
