

Apply for a Real Estate Branch License

Before You Begin

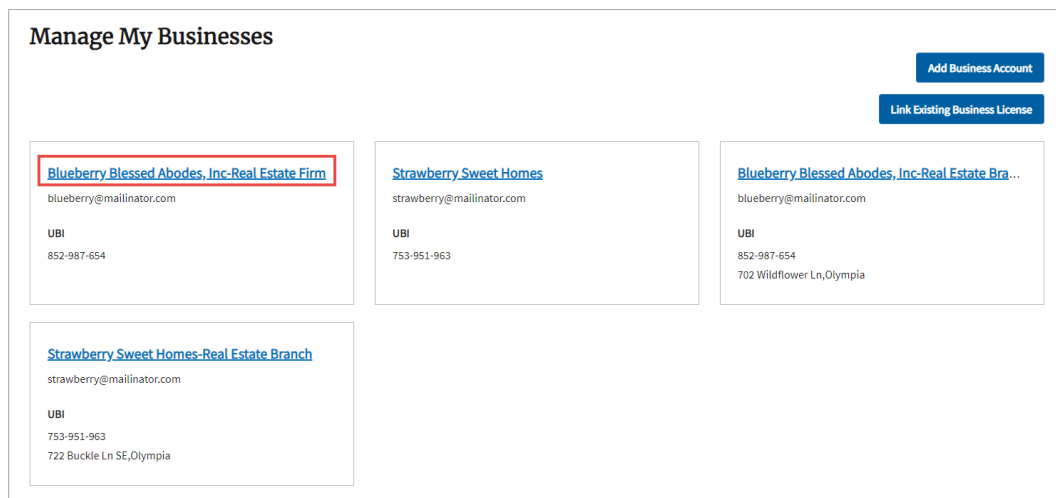

- You must have an ISSUED Firm license before you can apply for a Branch license (an issued license will **not** include REA in the number).
- If you are coming into the system for the first time and have an existing Firm license, you must link the Business Account for that license.
- You'll need the license number for the person who will act as the Branch Manager.

Apply for the Branch license

1. **Click** the Business Licenses link from the top menu of the Professional and Business Licensing Home page.

2. **Click** the link in the tile for business you want to add a branch to at the Manage My Businesses page.

3. Click the link for the Firm license you want to add a branch to at the Business Licenses page.

Review and Submit

I certify that

- I acknowledge that the Department of Licensing has the right to inspect the branch records I am required to keep by the laws and regulations that govern my license for a period of three years.
- I will cooperate with an audit or investigation by the Department of Licensing by providing all requested documents and a written explanation of the matter contained in a complaint.
- I have read and I agree to follow all the applicable laws and rules of this profession and I understand the penalties for misconduct.
- I am authorized to sign on behalf of the business applying for this license.

Declaration

I declare, under penalty of perjury under the law of Washington, that all of the information I've provided in this application and any associated documents is true, complete, and correct.

Signature

Please type your legal name as shown below.

Suzie Strawberry
