

PREPROPOSAL STATEMENT OF INQUIRY

CR-101 (June 2004)
(Implements RCW 34.05.310)
Do NOT use for expedited rule making

Agency: Department of Licensing

Subject of possible rule making:

Vehicle Wreckers, Hulk Haulers & Scrap Processors – WAC 308-63-040; WAC 308-65-040, 90, 120(5)

Statutes authorizing the agency to adopt rules on this subject:

RCW 46.79.030; RCW 46.80.030.

Reasons why rules on this subject may be needed and what they might accomplish:

Currently there exists conflicting information in the RCWs and WACs on who to contact for inspections for Vehicle Wreckers, Hulk Haulers, and Scrap Processors. The change will provide uniform contact information for inspections.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies:

Other state agency: Washington State Patrol. Washington State Patrol requested this rule change as they are one of the entities responsible for certain inspections. Local Chief of Police also perform inspections (if business is located in a city with population of more than 5000).

Process for developing new rule (check all that apply):

- Negotiated rule making
- Pilot rule making
- Agency study
- Other (describe)

DOL has been working with Washington State Patrol to identify and develop this rule change.

How interested parties can participate in the decision to adopt the new rule and formulation of the proposed rule before publication:

(List names, addresses, telephone, fax numbers, and e-mail of persons to contact; describe meetings, other exchanges of information, etc.)

Interested parties may send in comments by mail, phone, facsimile or email. Additional information will be posted on the Vehicle Wrecker, Hulk Hauler, and Scrap Processor websites as it becomes available at:
