Look up a business or professional license

[Search business and professional licenses](#)

Find out:

- If we've issued a professional license to a person or business.
- If their license is active.
- When their license expires.
- If they have professional license violations.

You can search by:

- Name
- License number
- Type of license
- Location — Note: Some professional licenses don't list a street address and may not show up if you search just by location.

No results?
This search only provides information about licenses we've issued. If you didn't find what you were looking for, you may want to check with other state agencies.
