

# License Plate Replacement Application

To apply for a replacement license plate(s), return this completed application, **with a photocopy of your current registration and fees** to any vehicle licensing office. **Replacement of Disabled American Veteran or Prisoner of War plates must be processed in Olympia.** Keep a copy of this completed form in your vehicle as proof that you have submitted an application for replacement license plates.

**\* If the license plate(s) has been reported stolen or if the Department record indicates the vehicle has been stolen, the same number/letter combination will not be used. This is a law enforcement issue and is for the protection of the public.**

Check here if you want to get replacement plates with the same number as your current plates. Be sure to include the additional fee with this application. If the additional fee is not paid, the replacement plates will be the next available number/letter, letter/number combination, or Special Plate background design.

Replacement **HAM** and **MARS** plates will be issued with the original number, indicating your FCC license number.

**Armed forces collection plates:** Check the box next to the decal you had on your existing plates:

- Veteran     Retired     Active duty     Reserves     Disabled veteran  
 Army guard     Air guard     Army, retired     Air, retired     Fallen hero

**Personalized plate\***

Your replacement plates will be the same number/letter, letter/number or Special Plate background design format as your current plates. Fill in the information below to insure the exact format of your personalized plates.

Please print exactly the way the plate should look, including hyphens and spaces, if used.
