### **Specialty license requirements**

To be licensed in Washington as an engineering geologist or hydrogeologist, you must:

- Be licensed as a geologist in Washington
- Have completed **one** of the following advanced studies pertinent to your chosen specialty.
  - 18 semester or 27 quarter hours of graded academic course work
  - 270 hours of seminars or workshops
  - 540 hours of on-the-job training under the supervision of a geologist licensed in your chosen specialty, or others qualified to have responsible charge, as determined by the Board
- Have at least 5 years of documented, verifiable experience in your chosen specialty, including at least 3 years under the supervision of a geologist licensed in your chosen specialty, or others qualified to have responsible charge, as determined by the Board. **If applying for 2 specialties, you must have at least 5 years of documented, verifiable experience in each specialty.**
- Pass exam for specialty. You can apply by reciprocity for specialty licenses if you have passed the applicable specialty exam **and** are currently licensed in California as an engineering geologist or hydrogeologist or in Oregon as an engineering geologist.

If you are not eligible but continue to apply and submit payment you will not receive a refund.

### **Alternative experience credit**

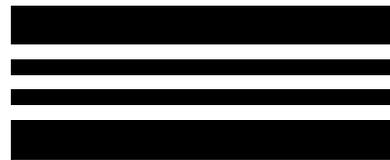

- One year of full-time graduate study in geology or a qualified related area counts as one year of experience, up to a maximum of 2 years.
- Geological research or teaching at the university or college level is credited year for year if, in the judgment of the Board, it is comparable to experience obtained in the practice of geology or a specialty.

### **How to apply for a license**

1. Submit a completed Specialty License Application with a check or money order payable to the Department of Licensing to our office.
2. Complete the List of Projects for the specialties you are applying for with your application. Also complete the Applicant information section of the Employment and Experience Verification form and send a copy of the List of Projects to each of the verifiers listed. The person verifying will send the completed form directly to our office.
3. If you have only one Employment and Experience Verification, complete the Applicant portion of the Personal Reference form and send to your reference to complete and submit to our office.
4. Request a certified copy of your transcripts be sent to our office. **Only sealed transcripts sent directly from the issuing college or university are accepted.** Educational equivalents are subject to approval and must be documented by providing a course syllabus, outline, or certificate of completion for non-academic courses.
5. After you are approved by the Board to take the ASBOG<sup>®</sup> exams, you will receive a copy of the ASBOG<sup>®</sup> National Examination Candidate Request Form from our office. Complete the lower section of the form and send it with the exam fees directly to ASBOG<sup>®</sup>. Exam admission letters for approved candidates will be sent approximately one month prior to the date of the exam.
6. **Reciprocity applicants only:** Complete the Applicant section of the Geologist Licensing and/or Exam History Certification and send to the state where you are currently licensed. They will complete the Certification Verification section and return the form to our office.
