Applicant experience/verification

- Experience is gained under the direct supervision of a professional engineer (PE).
- Applicants working in the manufacturing industry are exempt from gaining experience under the direct supervision of a
 professional engineer, but a PE must be employed by the firm. If this is the case, indicate the name and license number
 of the PE at the time of your employment. Your direct supervisor verifies your experience.

Name and license number of PE at time of your employment _

• If employed by the federal government, you are not required to gain experience under a professional engineer. Your direct supervisor verifies your experience.
