0:0:58.430 --> 0:1:13.490

Baur, Sandy (DOL)

Umm, unfortunately we do not have a quorum for today's real estate Appraiser Commission meeting. So, we are going to be rescheduling this meeting so that we are able to take action.

0:1:14.370 --> 0:1:35.950

Baur, Sandy (DOL)

And here public comments and take action on those public comments. One thing that we wanted to do today was to recognize our prior Commissioner, Heather Sullivan. We will also be rescheduling that recognition to a later meeting. Hopefully we will have our meeting.

0:1:37.210 --> 0:1:53.340

Baur, Sandy (DOL)

Uh rescheduled within the next three weeks as soon as we have a date confirmed, we will send that date and link out on listserv so everyone will have the appropriate time to add it to your calendars.

0:1:54.0 --> 0:1:58.460

Baur, Sandy (DOL)

Thank you so much for attending today. Scott, over to you.

0:1:57.60 --> 0:2:26.920

Scott Biethan/USA

Hey, do you mind if I? Yeah, I'll just say I did this and everybody who dialed in and, and has joined us. We apologize. We had a, a, a few folks who had just some, some true family emergencies and all unexpected and some right at the last minute. So, we value your time. We apologize and we take it seriously. But if we don't have a quorum, there's so many things we can't do including you know reacting, you know having putting anything on the agenda after public commentary, we'd be really stifled in doing the work we want to do.

0:2:27.360 --> 0:2:30.780

Scott Biethan/USA

For behalf of everybody, so apologies to everyone.

0:2:35.270 --> 0:2:35.950
